MANZONI

APRIL 2025

Established in 1987, Ashley Norton has grown to become one of the leading designers and manufacturers of architectural hardware.

The Ashley Norton cabinet hardware collection features a wide choice of designs and finishes, cast in Solid Bronze or forged in Solid Brass. Our Solid Bronze products are sand cast from art grade bronze, and feature distressed patinas. Our Solid Brass products are hot forged, allowing for crisp, sharp lines with exceptional finish quality.

Our Manzoni range has been created with elegance and flair, to make a distinctive statement. Starting from the aesthetics of the design, to the quality of the finishing and even the ergonomics of the operation, our designers have taken care with every detail. And of course, our renowned manufacturing expertise allows us to create a product which is both pleasing to the eye as well as comfortable to touch.

Choose from the most unique collection of designer-inspired cabinet hardware. Whether the style of your space is urban or traditional — our wide collection brings you a diverse selection of offerings to suit the architectural features of your space.

SOLID BRONZE

Ashley Norton utilizes the finest art grade bronze alloys in the production of our hardware. Our Dark Bronze (BZ), Natural Bronze (NB) and Matte Black (TC) products are produced from silicon bronze, a coppery-gold colored alloy of copper, silicon and zinc.

Our Dark Bronze (BZ) patina is our most popular, and allows for the greatest uniformity in shade at time of delivery. We aim to stock the most popular items in this patina.

Our Matte Black (TC) products are created through the application of a black powder coat.

Our new Natural Bronze (NB) patina allows for a trendy look similar to a lightly aged-brass. The modern color tone, coupled with the natural distressing typical of sand-cast bronze hardware results in a distinct product to suit multiple design styles.

Ashley Norton applies a light coating of wax to protect our products from oxidization and wear. As the wax coating wears off, the patinas will be exposed to the environment. The effects of age, climate and touch will work in conjunction to create unique, contrasted color variations. The most frequently touched areas will highlight as the patina wears off and natural shades of bronze are exposed. Areas which are not handled may oxidize further, and the combination of colors and hues will accentuate the timeless elegance of bronze.

DESIGNER WOOD

Manzoni range includes a unique collection of modern and contemporary designs produced in Walnut, Oak and Black Stained Ash. Our sleek and elegant designs, complemented by the natural grain and color of the wood gives a unique and fresh look to complement various design themes.

Our Designer Wood Collection is produced from natural timbers, as such there may be slight variations in color and grain from piece to piece. The surface of the product is treated with a lacquer to protect the wood.

Product Use and Care

All of our products are designed for interior use only. Products should be cleaned only with a soft cloth dampened with clean water, and wiped dry with a cloth. Water residue should not be left on the product as chemicals or minerals contained within may damage the protective coating and attack the finish. No cleaners, whether chemical or organic should be used to clean the products as they may attack the finish and void the warranty.

Ashley Norton and Manzoni extend warranties as indicated above to the original residential purchaser, providing the product has been installed indoors, in strict accordance with our installation instructions. Items in a 'living finish' (see below) have no Finish Warranty.

The only obligation of Ashley Norton or Manzoni will be to repair, replace or refund the defective product or parts upon presentation, together with proof of purchase dated within the warranty period. We assume no liability for any labor charges regarding the removal or reinstallation of the products; nor will we cover any freight, postage, or handling expense related to the product. This warranty does not cover damage caused by accident, misuse, abuse, tampering, extreme climatic conditions, improper installation or products used in commercial applications. In no event shall Ashley Norton or Manzoni be liable for any incidental or consequential damages arising from the sale or use of our products.

Some of the finishes and patinas shown in this brochure are 'living finishes'. These finishes may highlight, oxidize or rub off in places due to frequency of use; therefore such events do not constitute a defect. Thus, Ashley Norton cannot guarantee these finishes and we will not have any obligation to repair or replace such finishes under this warranty. The living finishes in this brochure are:

Solid Bronze: Dark Bronze (BZ), Natural Bronze (NB), White Medium (WM) and White Bronze (WL)
Solid Brass: Oil Rubbed Bronze (DOR), Polished Nickel (PNI) and Unlacquered Brass (ULB)
