

Boats for Sale

Jersey Girl, 57ft Trad Narrow Boat

Having been in the same ownership for a number of years, Jersey Girl has obviously been looked after and is reluctantly for sale to make way for a smaller, lighter craft.

Whether you are on the market for a comfortable base from which to enjoy the river, explore the UK waterways on an extended cruise, or as a craft suitable for full time living, she is well worth considering.

The marque of a good boat builder is often measured by the condition of their boats after they have been in service for a few years. Built by Stoke-on-Trent Boatbuilders in 1990, Jersey Girl has solid and warm woodwork throughout with teak, pine and iroko complementing each other. The quality is evident.

Stepping aboard at the bow, there is a spacious cratch with recently re-proofed cratch cover, making great use of the space for storage, access or watching the world go by. The main saloon is through the double doors and is spacious and practical with recently serviced Little Wenlock log burner, plenty of storage, and comfortable seating.

Moving aft, the galley is sensibly arranged with full size 12v fridge (powered by recently installed solar panels) along with Vanette 4 burner hob, grill and oven.

Further through Jersey Girl, as you pass the starboard side double hatch, you will find the 4 seater dinette, which converts to double bed followed by a good sized heads / toilet shower compartment.

Finally, before exiting the boat to the stern through the handy engine room compartment there is a full size, permanent double bed.

Jersey Girl is powered by a 1.8 litre 4 cylinder Beta diesel through a PRM Delta 30 hydraulic gearbox.

With central heating powering 5 radiators, stereo system, TV, 240v hook up, holding tank (plus additional porta potti), solar, she is a complete package ready for new owners to make their own. Included is a hull survey from September 2020 when all advisories were completed so insurance can be obtained.

Viewings are welcomed, plus mooring may be available.

£45,000

Impulse, 2002 Doral 250 SE (PRICE REDUCED)

I am pleased to offer a very well equipped, recently serviced and ready to go Doral 250SE. Fantastic cockpit space with extendable seating area and a powerful and quiet Volvo Penta V8 make a great package, whether for coastal or river she has the power and manoeuvrability to make a day out on the water a pleasure.

This is a 2002 boat so as you would expect, she is on original gel coat with good quality teak inlays. She includes cushions for the front deck, and a brand new tonneau cover.

The seating is all complete, no rips and is in good condition. There is a full floor carpet with access to the engine underneath.

The interior space is a pleasant and light mixture of luxury and functionality. Full seating in the bow with ability to transform into a double bed, TV and plenty of storage, and separate rear cabin with an additional double berth. A separate heads compartment is located to starboard and a very functional galley with hob and fridge to port.

As expected with a boat of the quality of a Doral, there is comprehensive marine electrics, entertainment and 240v hook up.

Concerned about a boat with an engine from 2002, don't be. This had a new engine installed in 2017 by a Volvo Penta engineer, and then in 2022 there was a full outdrive service at a cost of £1,500 plus antifoul. Since then she has done just 12 hours.

Transportation and delivery can be arranged to anywhere in the UK. If you would like more pictures or a live video walk around then just give me a call.

£32,500.

RNLI Y Class Inflatable

Great fun, stable and fast this is a genuine ex RNLI tender from the Yanmar Class lifeboat, designed to go close to shore for rescues when too shallow or rocky for the larger craft. Powered by a recently serviced 25hp 2-stroke and has all the extras such as flare box, side pockets, oars, and bladder fuel tank.

Included is a trailer so you have a true take anywhere, go anywhere boat whether as a serious tender for a larger vessel or as a fun runaround for river or sea. Fantastic quality inflatable with a rugged and well respected outboard and trailer, a great package.
