

For Sale

Lady V

An 18ft 2 berth cabin cruiser with a 15hp 4 stroke outboard engine. The interior includes a forward V berth with fitted cushions and infill for a larger bed, cupboard and work top and small toilet cubicle. Whilst she can be used as she is, Lady V would benefit from an interior repaint and general tidy. The hood is serviceable but tired. The outboard starts on the button and sounds very sweet and pushes the boat along nicely. She is in the water and available to view and trial.

More pictures available on request.

Price: £2,500
