It's unclear exactly how the town of Mineola got its name. While some claim a railway official named it after his daughter, Ola, and her BFF, Minnie, others say the name was created by a surveyor who combined his daughter's name with her friend, Minna.

The Mineola Nature Preserve on the Sabine River encompasses 2,911 acres located in Wood County, and is home to East Texas species of critters that can fly, walk, crawl, and slither, and home to more than 193 species of birds, numerous wildlife, buffalo, long-horn cattle, and a pristine wetlands environment.

The Waldo Way is a Grade A Raw Milk Dairy Farm. Our beautiful Guernsey Gold cows are raised on grass all year round and they are our partners in this business. The store features Guernsey rich, velvety golden milk, yogurt, butter and Kefir.

Mineola Historical Museum is staffed by enthusiastic historians, this free museum is located just one block from Mineola's main street.

Lake Country Playhouse is one of the longest running movie theaters in Texas, having been in operation since 1920. Despite its old-school looks and retro neon sign, this cinema plays first-run movies as well as community theater productions.

There is a small farmers market at the train depot in downtown Mineola every Saturday starting in May and continuing for as long as the weather holds out .
