Moving Forward

Well, here we are at the end of another travel season! Let's hope we all made it safely, with health in tact. I'll be looking for nominees for this year's Purple Horseshoe Award. I know Fred Richardson led a small caravan on the Oregon trail and I didn't hear of any major catastrophes along the way. Charlie Petrillo did a fine job of keeping the TGCU WBCCI International Rally participants organized and informed. I think we made our Region 9 Vice President, Nancy Fitzgerald, very proud. A good time was had by all!

At this time, we do not plan to cancel fall rallies. October will feature a campground style chili cook-off competition. Bring your fire and your kettle! Participants will cook onsite at the clubhouse grounds, weather permitting. If not, on the back patio. I plan to bring my Camp Chef and set up somewhere in the shade behind the clubhouse, kind of tailgate style. First place winner will receive \$100 cash prize, and second place receives \$50 cash prize, along with all the bragging rights! Dinner will be some of the best, lip-smacking homemade chili around, with the host group organizing all of the sides and various chili accoutrements. The Covid situation will continually be assessed and activities adjusted and conducted accordingly.

Then in November, we'll do the annual Turkey Shoot with spiral cut honey hams for ten winners--just in time for Thanksgiving and the holidays. December will be a Christmas dinner, installation of officers and silent auction. As you wrap up your travels, or if you are just out shopping, keep an eye out for those bargains to help fill our auction tables. Gift baskets and gently used or new items are welcome. Silent auction proceeds will go in part to local charities TBD and the remainder to finance TGCU activities in 2022. Charlie Petrillo has some great plans in store for y'all!

I am looking forward to getting back to Texas and seeing you all again.

Cheers!

1st VP Region 9

Hello Region 9 Airstreamers

The Region 9 Airstream family was over 125 members strong at Lebanon 64 and every club was represented. Even though the actual purpose of an International Rally is to conduct the business of the Wally Byam Airstream Club and to vote on issues before the delegates, that is not the reason most attend. International 64 at Lebanon was all about the fun. We missed you if you could not attend this year and hope to see you next year in Fryeburg, Maine- July 23-29, 2022. We had a great turn out at our Sunday breakfast buffet and our Tennessee Whiskey Tasting Happy Hour expanded to include martinis, margaritas, Old Fashions, and tequila shots. (We were over celebrating, I think, since we have not been together as a region for the last two years.) Therefore, **Save the Date** for Region 9 Rally: *Let's Get Together April 26-May 1, 2022, in Mineola TX*. Let me know your **Rally Fun** ideas and how you would like to help – Vendor? Flea Market? Happy Hour? Dutch Oven Potluck? Campfire? Finally, here are **heads-up** items that were approved at International. Unit leaders will address in more detail at rallies:

- An owner and each co-owner and his/her spouse/partner of a recreational vehicle manufactured by Airstream, Inc., upon becoming a Regular Member or Member at Large of the International Club, shall possess **one vote per person** for International Constitutional issues or International Officers (Each member will login to personal WBCCI account to cast individual vote.)
- With the election of International Officers being removed from the Delegates Meeting at the International Rally, it changes the purpose of a Delegates Meeting. The meeting will only consider and vote on Constitutional amendments, therefore the name of the meeting is changed to, Constitutional Delegates Meeting.
- Motion approved that establishes a new process for the recruitment of International Officers through a new Standing Committee, Nominations. The Committee will be composed of the principal stake holders in the search for candidates as well as membership representatives from the Regions of WBCCI and will operate year-round.
- Motion approved that establishes the right of any Member (**Regular or Member at Large**) to affiliate with any Local Club in WBCCI.

I hope to see Region 9 friends at some of the fantastic rallies planned for this fall. You can check out what other units are doing at airstreamclub.org – Rallies – Region 9. Travel safe and do not hesitate to contact me: nefitzge6@gmail.com.

TAHI News

From the President of the Board

After another hot Texas summer TAHI is coming alive again after many have completed fun traveling adventures.

Tahi has finally received agreement from Angelina County to provide the property tax breakouts. I'm anticipating we will all know more within a couple of months. Most of impact will likely be an increased cost to those members who have added improvements to their TAHI lots. Once we see the final cost to the corporation, TAHI, Inc., we will be better able to budget for next year. Our consultant has/is doing an outstanding job for us.

Scott
