Wow! What a Double Anniversary Rally the “55-50” turned out to be. We sure wish some folks who had other obligations and family health issues had been able to attend, but overall, we were very pleased with attendance. We enjoyed many acts of kindness throughout the rally: several members paid full registration fees even though they couldn’t attend because they wanted to support me and the club. Many folks donated supplies or gifts for the goodie bags. The TAHI Board waived the clubhouse rental fee, and the TGCU Board and 55/50 Rally committee waived the rally late fees for those who registered late. Some folks bought and gifted the green raffle tickets for folks not able to attend, and people donated to the Sunday Offering (Zavalla Food Bank). People pitched in to help an attendee with hitch issues, and several

folks scoured the park for a missing phone late into the evening. Those are examples of what it means to be a member of TGCU & TAHI com-

munity. Helping one another. Sacrifice for the greater good. Placing others less fortunate before oneself. I'm told these are "WWJD" type moments. I say it's just common sense and being human. I sincerely thank ALL those that understand and apply that concept each day.

I must recognize the tremendous donations of something more valuable than gold, "Time". I am so grateful to everyone who chooses to give their time to TGPU & TAHI. I was only able to afford some small gifts of appreciation to a few, and recognized them (Bill Pearson, Shanna & Gil Moll, Sarah & Rich Wallace, Debra Green, Wayne Sullins) at Saturday night's dinner. I would like to thank everyone for their abundant support before, during and after the rally, by attending TAHI Workdays, membership meetings, by helping when asked, and especially those who don't even need to be asked, they just naturally see that something needs to be done and they do it.

Here's the 55/50 rally recap: Thursday's Blindfolded Golf cart race practice was truly one to behold. One team hit the Start Line. Another demolished the Finish. For one team, it would have been easier to count the cones they didn't hit. All this craziness was followed by wonderful meatball subs and fixings, with music provided by with DJ Jaye & Kim. The evening movie played through the professional sound system, made it feel like you were in the race car with Elvis Presley. True confession: I'm now a fan of Nancy Sinatra.

On Friday morning, we enjoyed a wonderful assortment of fresh donuts from the local shop, as well as fresh from the oven, apple bread and pumpkin bread made by Nina Welling.

During Happy Hour on Friday, we held the inaugural 55/50 Blindfolded Golf Cart Obstacle Course Race with an additional small

twist. Three quarters of the way around, at a STOP sign, the blindfold could come off and one member of the team had to get off the cart and put on a pair of HUGE pink 55/50 Granny Panties, have their picture taken, remove the panties and get back in the cart and off to the finish line. The winners were Dana Kelley and Selena Hodges. "Donning the Granny Panties" winner was Pat Pat Muller. "Best Golf Cart Decoration" went to Annette & Mike Bearden.

After a quick demonstration by Annette & Mike Bearden on how to do the "Camshaft Twist," it didn't take long for Pam & Bill Pearson to get the rhythm to win the event.

Next up was the Toilet Paper Toss with the winner being Roy Moore.

Dinner was Frito Pie & hot dogs.

The Saturday breakfast crew came through once again with the usual pancakes & sausage, scrambled eggs along with 3 kinds of omelets, hash brown patties, fresh cut fruit bowl and orange juice available.

At 10AM, the Gulf Coast Membership Meeting was called to order. The membership meetings always provide up-to-date information about what is going on in our unit and Region and International levels.

After doing all the required business, under new business was Election Time. VP. Ms. Debra Green is now Madame President-Elect. Ms. Shanna Moll is going to be TGPU 1st VP come December 10th, Ms. Selina Shadd will be the 2nd VP and Ms. LaVerne Valanti will be Recording Secretary. Ms. RutheAnn Richardson is still Treasurer and Ms. Linda Williams is Corresponding Secretary. Ms. Emma Lee Wilson and I will be serving as Trustees.

I had the privilege of Swearing in Shanna & Gil Moll. They have only been members of

TGCU & TAHI a few months, but they were key figures in the planning and execution of many parts of this 55/50 rally. I'm certainly looking forward to seeing what ideas Shanna has for future rallies. One other new item is Ruthe Burton's caravan to Natchitoches, LA December 4-8.

At 1:00 the Pampered Chef Party got underway. It was well attended and enjoyed by all, with lots of ladies getting door prizes and another good amount placing orders.

At 2:00 the trailer clinic started with lots of good information exchanged. Happy Hour was well attended, and the "Winner Winner Chicken Dinner" started promptly at 6:00. The participation of folks getting dressed up like the '50s was amazing. So many wonderful outfits, but the hands down winners were Bill & Judy (Farrah) Wilson.

The November Rally, 10-13, is always a fun one with the Turkey Shoot on Saturday.

A special Thank You to the folks at Honey's Kitchen in Zavalla, for being so gracious with their excellent food and gift certificate donations, as well as Stephanie & Dan Matney from Curtains4Campers, for donating hitch jack covers in the goodie bags.

Charlie, I believe they're serious about this!

Tour of the Airstream Trailer Factory Jackson Center, Ohio

On a recent trip, Texas Gulf Coast Unit member Jim Hodges visited the Airstream trailer factory in Jackson Center, Ohio. The trailer factory is one of three in the city. The Basecamp and Mercedes Coaches are built in one factory while the new Ram based coach is built in another. The 750,000 square foot trailer factory opened in 2020 and offers tours Monday–Friday.

This amazing tour takes about an hour to complete and covers all the areas of trailer construction, from the formation of end caps to water testing and finish installations.

The design of the factory is quite impressive including the way in which all the Airstream components are produced, including the machinery dating back to the 1950's. The modern equipment utilizes laser guided computer equipment to cut trailer components to 1/100th of an inch tolerance. The largest part of the massive factory is Airstream's cabinet shop, where all cabinets are hand-cut and assembled for the trailer models. Ironically, the trailers are still moved through the factory by people-power. Two people manually pull the trailers from station to station until completion when a tractor moves the trailer off of the production floor.

There are several little-known facts at the factory:

- There is a travel trailer that is made at the factory that is not sold to the public. The trailer is produced for a company called Autocamp.
<https://www.youtube.com/watch?v=akJVUJ8VZ4s>
- The factory has doctors and nurses on staff for all employees and their family member's medical needs.
- There is a special "Eurozone" location at the factory that builds trailers to specifications for sale outside of the US and Canada.

The next time you are close to Jackson Center, stop by the Airstream headquarters to take the factory tour and visit the Heritage Museum. You won't be disappointed.

Dues & Assessments Reminder

TGCU Rally Host Duty Reminders

- Coordinate plans together with rally host team; first couple listed is team leader.
- If an appointed team member is unable to participate, it is his responsibility to find a replacement & communicate that change to the host team leader at least two weeks prior to the event.
- Plan activities & meals for Thursday evening through Sunday morning.
- Send rally schedule to Debra, debrabgreen@gmail.com, to post in newsletter (by 25th of month prior to rally, i.e. **Feb. 25** for March 9-12 rally).
- Shop for food & decorating items needed, keeping receipts (reimbursable any time during the rally); check boxes in store room first for available décor—food & decorating budget for each rally is typically \$300 for 40-50 in attendance. [Saturday breakfast is pre-planned & not included in team responsibilities or expenses.]
- Check supplies on hand in clubhouse before ordering more.
- Decorate accordingly.
- Make coffee each morning; prepare and serve meals; remember to plan in advance to have propane turned on if oven is to be used.
- Post daily activities on clubhouse whiteboard.
- For each event, make sure kitchen is clean & restrooms supplied.
- Set up tables & chairs for meals, TGCU meeting & Sunday Devotional.
- Ask someone to lead in prayer before each meal.
- Make announcements & remind members of Sunday Service, informing them that our collections always go to the Zavalla Food Pantry.
- Clean up after each meal.
- Take trash to dumpster as needed.
- Turn off lights after each event **OR** arrange for those remaining after event to do so.

TAHI Girls at the 5K Fun Run

Airstreams at the Price

September 29-October 2, 2022
Bartlesville, Oklahoma

Rally to Celebrate Original American Design

Bartlesville, OK! What a wonderful city to host Airstreams at the Price Rally. Where else could you immerse yourself in the history of both Wally Byam and Frank Lloyd Wright? We had an amazing panel of experts on Wally and Airstreams: Dale Schwanborn, David Gulley, Samantha Martin, and Price Conner, an architect and historian at the Price Tower.

The tour of the tower was quite interesting, it gave us insight into the creative mind of Frank Lloyd Wright. He built this skyscraper for Phillips 66 headquarters in 1957. Today it is a boutique hotel and office space. We toured and learned from docents about building construction and purpose. We heard many tales of FLW mythology and had two days of speaker panel discussions and visual history.

Eric Bricker sent his film “Alumination” for our viewing pleasure as well. It was a beautiful weekend of learning, viewing vintage Airstreams, and a fun run to raise money for Miles for Mammograms, a nonprofit that provides mammograms for women without health insurance. There was the Woolorac car show nearby, and even an Octoberfest where Region 9 hosted a fabulous Charcuterie Board Happy Hour!

Thanks to Philip Vasquez for the vision and planning. And thanks to all the volunteers from several different regions who helped it run smoothly.

Texas Airstream Harbor ...from the Prez...

What a great time to be a member and resident of Texas Airstream Harbor. The weather has been outstandingly beautiful. Only one real cool night this past month, but the skies have been clear blue and the temperatures very nice in the mid 70's to lower 80's. Fall Airstream travelers have been coming to enjoy our park and the Fall weather and beauty, too. If you see visitors to our park, please take the time to welcome them to TAHI and invite them to participate in our park activities.

RutheAnn Richardson pictured with TGCU President Charlie Petrillo, & TAHI President Fred Richardson

Our celebration of the 50th Anniversary of our park was a great success along with the 55th Anniversary of our travel club, Texas Gulf Coast Unit. A huge thank you to all who made it an outstanding event and great milestone. Thanks to TGCU President Charlie Petrillo who brainstormed the event and organized everyone to make the celebration happen. Read and enjoy the pictures in the TGCU newsletter. There was a "sock hop" with live DJ, Jaye Curtis of "Yesterday Once More Productions" providing the music and entertainment.

A huge Thank You goes out to TAHI member Debra Green who saw a need to paint the clubhouse. Debra, thru her efforts and several other helpers managed to raise funds to get the clubhouse painted. Inside, new decorations for tables and chairs and a new air-conditioner in the board/workout room. A special shout out to new member Shanna Moll for the new chair covers in the clubhouse, too.

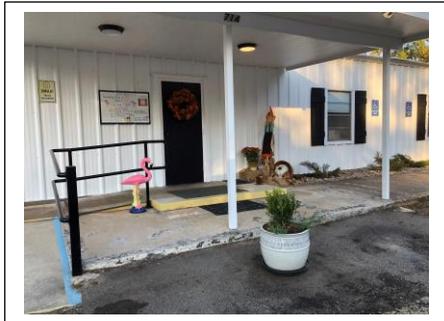

We are on schedule to bring the new sewer plant online around November 15th. This has been a major undertaking and will soon come to fruition which will improve the sewer infrastructure for many years to come. Almost everyone in the park has contributed many work hours to make this happen.

TAHI continued ...

During the October membership meeting members directed the board to purchase remote gate opener/closers for our entrance gate. Sad, but true, crime rate is on the rise and we want to be sure to protect our park by keeping the gate closed as much as possible. The gate had been remaining open for long period of times and especially during after hours which prompted the gate "clickers" as a way of offering a convenience to our residents to open and close the gate either going or coming. 20 clickers were ordered and programmed and so far 15 of them have been sold. They are available to members for \$15 each.

Please note that the county still has a burn ban going on which prevents us from burning the brush pile. Please note "Brush Pile" is for brush only. If you have boxes please break them down and place in the dumpster. Breaking them down enables more room for household trash for everyone else.
