*"Everyday" is Your  
Chance to Make TAHI  
A little better!*

**Welcome!**

Wow! What a March! New memberships, lot transfers, sales and visitors. Welcome new members! Mary Marceaux who purchased the DeLands cabana on Elm street, Nan Leverett who purchased Janie Lovelady's place over on Pine street. The Justices, Michael & Joanne purchased the Moores lot on Pine street, the Moosemillers and the Kriscoes lots on Oak street. Also, Chris and Barbara Schlierf who are buying the Tim & Cheryl Smiths place on Holly street.

TAHI purchased an ad in the Region 9 Annual Rally to be held in Bandera, TX., May 1-5. We will also provide 3 gift certificates for two night stays as door prizes. This is an opportunity to market our way of life to every

Airstream Unit and Airstream owners in Texas and Oklahoma.

**Something New!** The TGPU Rally for April at the TAHI clubhouse was moved to the KOA campground in Brookland which is 38 miles from TAHI. So hook up your trailers and come camp out with everyone. Or you can come over daily if you prefer. We will have a fun time and do some cooking out with our blackstone grills and dutch ovens. We will do a small fishing tournament in their ponds on Saturday of the rally. See the TGPU rally info for activities planned. Because of the rally, the TAHI board meeting has been moved to Wednesday, April 10 as several hosts for this rally are also board members.

The Corps of Engineers came out to plant 10 trees in the area in front of the DeCuir's and Lovelady's. Several people helped. They also marked 46 hazardous trees to be cut and removed from three mowing areas that was

approved by permits. The trees are marked by blue paint and caution should be taken around them until they can be taken down. The stumps will remain. Help will be needed to water the new trees planted so consider signing up to help. Currently grounds and equipment volunteers are constructing a water tank system that can be used to make it an easier task.

After almost a year of testing, picture taking and gathering other information required by the TCEQ, Engineers have submitted all our documentation for placing Water Well #3 into service for additional water for our park and Sun'N Fun community that purchases water from the TAHI Water Corporation. The Engineer firm felt confident that the TCEQ will approve but they may also seek additional information. They now have 100 days to review and respond. Hopefully we can move forward.

**Good News!!**...we received notice from our tax consultant that he was able to get our tax evaluations for TAHI property greatly reduced, but wasn't finished yet. He is working for an even greater reduction.

Jasper Newton Electric was in recently between Dogwood and Elm street to install service to a resident and did quite a number on our electric by taking out 9 services with their digging machine. When things dry out after the recent rains we will have a work day to repair those sites.
