TEN COMMANDMENTS
of
HUMAN RELATIONS

- I. Speak to people. There is nothing as nice as a cheerful word of greeting.
- II. Smile at people. It takes 72 muscles to frown—only 14 to smile.
- III. Call people by name. The sweetest music to anyone's ears is the sound of his name.
- IV. Be friendly and helpful. If you would have Friends, be friendly.
- V. Be cordial. Speak and act as if everything you do is a genuine pleasure.
- VI. Be genuinely interested in people. You can like almost everyone if you try.
- VII. Be generous with praise....cautious with criticism.
- VIII. Be alert to give service. What counts most in life is what we do for others.
- IX. Be considerate of the feelings of others. There are usually 3 sides to a controversy—yours, the other fellows, and the right one.
- X. Add to this a good sense of humor, a big dose of patience and a dash of humility.

Key West, FL - Conch Tour Train - Included in Kitty Fee Duration: 1 hour. Travel through 400 years of Key West history. Get an exciting preview of over 60 of the most unusual historical sites you've ever seen. As the tour makes its way over some 14 miles of old and new Key West, you meet Key West history face to face, going through the Spanish Conquistadors, pirates and great wrecking days. Key West is the southern most city in the continental U.S. It's only 1 1/2 miles wide by 4 miles long, and sits right between the Gulf of Mexico and the Atlantic Ocean. That made it pretty convenient for the pirates. As the train winds its way around the area you will pass the old lighthouse plus some of the most beautiful and colorful conch shells you will ever see. You will pass the harbor and witness all of its activity. The Key West shrimp fleet is a colorful sight.
