Cancer Center
Golf Classic

Honoring David Wolmetz (1970-2023)

Co-Founder, Urban Air Adventure Park, Lake Grove

Monday, Sept. 16, 2024

Westhampton Country Club
Rain Date: Monday, October 21

Benefiting

The Cancer Center Golf Classic will support the funding for clinical trials of new, more effective, targeted treatments for cancer. Right here at home, we will help save lives with the goal of finding new ways to eliminate this invasive disease and prevent recurrence by aiding in the development of innovative therapies to help patients.

In addition, the outing will also support the Carol M. Baldwin Breast Cancer Research Fund, Inc., committed to battling breast cancer by supporting both new and established researchers. To date, the Carol M. Baldwin Breast Cancer Research Fund has awarded research grants totaling more than \$5 million to medical research.

David Wolmetz

2024 Cancer Center Humanitarian Award

At this year’s Golf Classic, we will be honoring David

and deeds to support Stony Brook Cancer Center, as well as numerous people and organizations doing good work in the Long Island community.

We invite you to join us in paying tribute to David, while showing your support for the Carol M. Baldwin Breast Cancer Research Fund as well as funding for new, more effective cancer clinical trials, by participating through golf play, sponsorship, raffle donation, or as a dinner guest.

Your contribution can help change the face of cancer care on Long Island and beyond.
