RE: POLLARD ENTERPRISES LTD.

=====

Pollard Enterprises has completed roofing projects for us for over 20 years from additions which are 10,000ft² to new buildings which are 200,000ft².

Their workmanship and scheduling has been excellent and have diligently completed any warranty work.

We would highly recommend them for any roofing work.

Yours truly,

PRE-ENG CONTRACTING LTD.

John Gregoris, P.Eng
