RE: Letter of Reference – Pollard Enterprises Ltd.

Sealed Air (Canada) Co/Cie has had the pleasure of working with Pollard Enterprises Ltd. on the replacement of the roof on our manufacturing facility in the fall of 2017.

I would like to express my satisfaction with the manner they carried out their work. I found Pollard to be a well-managed company. Their staff is diligent, hardworking and ready to assist with addressing any concerns we had, right away.

I have no hesitation in working with them in the future and would recommend their service to any perspective client.

Sincerely,

Sealed Air (Canada) Co/Cie
