

Traditional Karate Center
uses WKF-Approved gear exclusively for functional & safety purposes

WKF-Approved – World Karate Federation = Olympic Karate

Functional – They are useful in dojo training and required at competitions

Safety – WKF-Approved gear are engineered, “Safe Punch” & “Safe Kick” technologies potentially minimizing concussions or other contact injuries during competition and training

MACS are the Official Supplier of TKC Dojo for WKF-Approved, Fighting, Safety Gear

MACS Gear is WKF-Approved (Specifically as PKF-Approved, meaning their gear is licensed for all continental, national, and regional event levels but not world level. It's a “licensing thing”)
