Good afternoon Herb. Sorry I have not responded sooner.

I spoke with our landscaper Dave and he said yes, he was in the park working on Sunday. He has permission to park anywhere he needs to while he is doing the work he is contracted for. As far as drinking beer, he said he was drinking a monster energy drink not beer. Personally, I have not seen him without an energy drink so I kind of believe him on that. If you have any pictures of him drinking beer, I'm sure the board would like to see it.

As a homeowner, please do not assume the worse and start a confrontation or call the sheriff for him parking anywhere. The sheriff will not do anything because he is contracted by Four Seasons Park to do landscaping and cleanup monthly, and a confrontation could get you in trouble with the sheriff.

Thank you for bringing your concerns to the board.

Subject: Road way maintenance

Hello

yesterday there was a red pickup parked directly across the road from my driveway for at least 3 hour's, entirely blocking the road on the right side, the two men were mowing and weedeating along roadway. As mid afternoon came both men were sitting in the truck, both drinking beer. This was observed by myself and my friend living here. I don't know if they are employed by this hoa but this is completely unacceptable. Next time there will be a confrontation and the sheriff's officers will be called. If they are employed by this hoa, I expect serious consequences for this idiot. Don't we have enough of this crap in this park?
