## REQUEST TO RECEIVE NOTICES

Dear 4 Seasons Park Property Holders and Residents:

The HOA Board would like to be able to provide you with both emergency and non-emergency information related to general park matters such as bridge or road closures, water leaks, crime-watch information, snow removal schedules, road repair schedules, scheduled and unscheduled water shutoffs, fire-related information, meetings, volunteer work days and other events. We want to contact owners in a manner that will be both efficient and timely, and will meet the needs of each owner.

NOTE: All general information will be posted on <https://fourseasonsparkhoa.com/> as well as on the whiteboard as you exit the park. But we realize some people will not see the whiteboard every day or check the website regularly.

We expect a maximum of two or three urgent-level messages per year. We expect fewer than twenty non-emergency messages per year. If you would like to opt in to receiving information by text or email, please complete the form below and return it to the address above. *Alternatively, you may snap a photo or scan it and send to [fourseasonsparkhoa@gmail.com](mailto:fourseasonsparkhoa@gmail.com).*
