

September 10-12, 2021

The Outdoor Automotive Exhibition

We are thrilled to announce that **Drive Festival** will take place at Canadian Tire Motorsport Park on September 10-12, 2021.

Ontario's re-opening plan confirms that Outdoor Meeting and Event Spaces can open in Stage 2! (July 7th is the current date for Stage 2). We are excited to offer automotive manufacturers, consumers and enthusiasts the first automotive event since early 2020!

Many major manufacturer brands are now preparing to exhibit at Drive Festival. They are excited to offer test drives on the Manufacturers Test Track, The LINE-X Off-Road Track and the Performance Track.

As well, we are ecstatic with the line-up of high-end and exotic cars that have committed to being featured.

Drive Festival will showcase hundreds of amazing exotic, classic, performance and race cars at speed on The Dream Car Speed Run all weekend long!

It's three days of automotive nirvana! Join us at Drive Festival, the hottest new interactive automotive event launched in Canada in decades.
