California

45. Zu Zu

829 Main Street
707.224.8555
Small Plates 🐾

Downtown Napa Tasting Rooms

A relaxing and renewing alternative to spending the day hopping from one winery to another is to spend the day at one or more of the tasting collectives or wine bars in downtown Napa. The main advantage is that you don't have to drive and you can taste wines from boutique wineries. Many wines featured at these establishments are wines that are not commonly found anywhere else, even in fine wine shops.

1. Ackerman Heritage House
608 Randolph Street
