April 30-May 2

Welcome Message

It is our distinct privilege to welcome you to ENT in Napa, the biannual continuing medical education symposium of the UC Davis Health Department of Otolaryngology – Head & Neck Surgery. We are honored to gather with so many dedicated clinicians, educators, and practitioners who share our commitment to advancing the art and science of otolaryngology.

This year's program has been thoughtfully designed to deliver clinically relevant, evidence-based education across the full breadth of our specialty: from rhinology and laryngology to otology, head and neck surgery, facial plastics, pediatric otolaryngology, and practice management. Our faculty represent the finest academic and clinical minds in the field, and we are grateful for their dedication to teaching and leadership.

We have long believed that the most meaningful learning occurs not only in the lecture hall, but in the conversations that take place between sessions, over shared meals, during case discussions, and among colleagues who become lifelong collaborators. Napa Valley provides an extraordinary setting for exactly that kind of collegial exchange, and we encourage you to take full advantage of every opportunity to connect with your peers.

We trust that the eighteen hours of AMA PRA Category 1 Credit offered through this symposium will enrich your practice and, most importantly, the lives of the patients you serve. Thank you for joining us, we are so glad you are here.

Erynne Faucett, MD
Conference Co-Chair

Peter Belafsky, MD
Conference Co-Chair

Arnaud Bewley, MD
