Information and Instructions for Parents/Guardians

REQUIRED INFORMATION

The following information is required prior to a child attending a Maryland State Department of Education licensed, registered or approved child care or nursery school:

- **A physical examination** by a physician or certified nurse practitioner completed no more than twelve months prior to attending child care. A Physical Examination form designated by the Maryland State Department of Education and the Department of Health and Mental Hygiene shall be used to meet this requirement (See COMAR 13A.15.03.02, 13A.16.03.02 and 13A.17.03.02).
- **Evidence of immunizations.** A Maryland Immunization Certification form for newly enrolling children may be obtained from the local health department or from school personnel. The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at:
http://www.marylandpublicschools.org/MSDE/divisions/child_care/licensing_branch/forms.html Select DHMH 896.
- **Evidence of Blood-Lead Testing for children living in designated at risk areas.** The blood-lead testing certificate (DHMH 4620) (or another written document signed by a Health Care Practitioner) shall be used to meet this requirement. This form can be found at:
<http://apps.fcps.org/dept/health/MarylandDHMHBloodLeadTestingCertificateDHMH4620.pdf>

EXEMPTIONS

Exemptions from a physical examination, immunizations and Blood-Lead testing are permitted if the family has an objection based on their religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care provider or child care personnel who have a legitimate care responsibility for your child.

INSTRUCTIONS

Please complete Part I of this Physical Examination form. Part II must be completed by a physician or nurse practitioner, or a copy of your child's physical examination must be attached to this form.

If your child requires medication to be administered during child care hours, you must have the physician complete a Medication Authorization Form (OCC 1216) for each medication. The Medication Authorization Form can be obtained at

http://www.marylandpublicschools.org/MSDE/divisions/child_care/licensing_branch/forms.html Select OCC 1216.

If you do not have access to a physician or nurse practitioner or if your child requires an individualized health care plan, contact your local Health Department.

CHILDREN WHO ARE REQUIRED TO RECEIVE LEAD TESTING

Under Maryland law, children who reside, or have ever resided, in any of the at-risk zip codes listed below must receive a blood lead test at 12 months and 24 months of age. Two tests are required if the 1st test was done prior to 24 months of age.

If a child is enrolled in child care during the period between the 1st and 2nd tests, his/her parents are required to provide evidence from their health care provider that the child received a second test after the 24 month well child visit. If the 1st test is done after 24 months of age, one test is required.

The child's health care provider should record the test dates on page 3 of this form and certify them by signing and stamping the signature section of the form. All forms should be kept on file at the facility with the child's health records.

How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

Only a medical provider, local health department official, school official, or child care provider may sign ‘Record of Immunization’ section of this form. This form may not be altered, changed, or modified in any way.

Notes:

1. When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except **varicella, measles, mumps, or rubella**.
2. Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.
3. Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).
4. Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but **revaccination may be more expedient**.
5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

Immunization Requirements

The following excerpt from the DHMH Code of Maryland Regulations (COMAR) 10.06.04.03 applies to schools:

“A preschool or school principal or other person in charge of a preschool or school, public or private, may not knowingly admit a student to or retain a student in a:

- (1) Preschool program unless the student's parent or guardian has furnished evidence of age appropriate immunity against Haemophilus influenzae, type b, and pneumococcal disease;
- (2) Preschool program or kindergarten through the second grade of school unless the student's parent or guardian has furnished evidence of age-appropriate immunity against pertussis; and
- (3) Preschool program or kindergarten through the 12th grade unless the student's parent or guardian has furnished evidence of age-appropriate immunity against: (a) Tetanus; (b) Diphtheria; (c) Poliomyelitis; (d) Measles (rubeola); (e) Mumps; (f) Rubella; (g) Hepatitis B; (h) Varicella; (i) Meningitis; and (j) Tetanus-diphtheria-acellular pertussis acquired through a Tetanus-diphtheria-acellular pertussis (Tdap) vaccine.”

Please refer to the “**Minimum Vaccine Requirements for Children Enrolled in Pre-school Programs and in Schools**” to determine age-appropriate immunity for preschool through grade 12 enrollees. The minimum vaccine requirements and DHMH COMAR 10.06.04.03 are available at www.dhmh.maryland.gov. (Choose Immunization in the A-Z Index)

Age-appropriate immunization requirements for licensed childcare centers and family day care homes are based on the Department of Human Resources COMAR 13A.15.03.02 and COMAR 13A.16.03.04 G & H and the “**Age-Appropriate Immunizations Requirements for Children Enrolled in Child Care Programs**” guideline chart are available at www.dhmh.maryland.gov. Walking Field Trip Permission Form

Dear Parents:

There are times during the school year when the children will have the opportunity to participate in a walking field trip around the grounds of the school, to nearby libraries, or other local businesses and community resources. These trips will be related to the unit of study that our class is exploring. This is a wonderful way to expose the children to local resources and relationships between curriculum and community.

Your written permission is required for your child to participate. I would like to secure your permission for all walking field trips throughout the school year, however, you will be notified in advance any time that the students will be leaving the building.

No child will be permitted to participate in a walking field trip without parental consent. We look forward to exploring the world around us!

Please fill out the form below, and return to your child's teacher. Thank you!

I give permission for my child to accompany his/her class on all walking field trips planned and supervised by Beginnings Montessori School for the 2014-2015 school year. Staff will ensure a safe walking route and supervision to/from the school. I understand that no such field trip will take place without a safe ration of adults to children.
