State License # _____ License Type _____

***Blues Stakes of Utah (811) must be called and completed before any excavation is done.**

*Contractors' state license number and town or county business license must be included or a permit will not be issued. If you are using a general contractor and doing the work yourself, please list "Self" as contractor. If you have multiple contractors please attach separate sheets as necessary.

*All construction activities are prohibited until this permit has been approved.

*You are responsible for scheduling building inspections. The building inspector is scheduled once a week to visit Dutch John.

*It is the responsibility of the applicant and builder of any structure within the Town of Dutch John to make sure that it is in compliance with all building codes, state code and town ordinance requirements. It is not the responsibility of the Town or the building official to verify these items, and any structure later found to be in violation is subject to removal at the expense of the owner. No officer, employee, or official or Board of the Town has authority to waive or excuse any legal requirement without the applicant obtaining a variance or other authorization as permitted by Town ordinance.
