ABOUT US

WOORAILOORA PTE LTD (W) provides a selection of curated premium to affordable professional hair and beauty solutions across Asia. With a focus on stylist & salon education, lasting customer service and nurturing mindset for our brands commitments to social and environmental causes.

We offer Professional Salon Solutions; where professional service meets professional brands for Hairdressing Supplies and Beauty Supplies.

Professional

Quality should never be a compromise. We cater and supply professional products to professional hairdressing salons across Asia.

Education

We believe the growth of the salon professional industry begins with education that caters to stylists at all levels within a hairdressing salon.

Environment

We partner with brands that have a strong ethical and moral compass. Wherever possible we aim to reduce waste and select brands that serve a cause to improve our world.

ANTIFY

CLASS DESCRIPTION:

Introduction and practical that immerses stylists into the ANTI brand. This class will guide stylists through the ANTI range and the mechanics behind each product, including a hands-on segment to give hairdressers an impactful understanding of each one. At ANTI, we believe in EMPOWERMENT, INDIVIDUALITY & CREATIVITY. Focusing less on process and more on the power of touch, ANTI enables professionals and consumers to not only feel the power of hairdressing but see a new realm of collective consciousness. The ANTI brand references both the street and icons of our time without dictating to people how hair should be.

WHO SHOULD ATTEND

Stylists looking to increase their level of comfort in working with all hair types and textures and which ANTI products they should use to achieve the best results in and out of the salon.

CLASS TYPE: Look & Learn
CLASS DURATION: 10am -1pm
LOCATION: WOOSTUDIO

CLASS FEE: Complimentary. Pre-registration is required

ANTI is a high-performance no-nonsense haircare brand that has simplified hair products to avoid the need for multiple products and double ups - ANTI is everything for everyone. We farewell overdone hair and welcomes concentrated formulas for superior performance with a natural finish - lightweight, simplified and addictive. As part of our promise, a completely ethical brand that is vegan & proudly cruelty free.

COLOR.ME

by KEVIN.MURPHY

START

Welcome to our introductory class offering an overview of COLOR.ME by KEVIN.MURPHY. Theory topics include colour philosophy, hair diagnosis, client communication, product usage and point of difference. Colourists will experience hands-on practice plus instruction on the complete colour-product portfolio.

This class is designed to further your technical skills, help you address challenges and prepare you to deliver the best colour results possible. You'll learn about initial consultations, colour selection, advanced colouration, colour correction, colour removal and practical troubleshooting.

OUTCOMES:

- Increase your knowledge of the crucial elements of colour and diagnosis to meet your clients' needs.
- Explore and gain a deep understanding of the COLOR.ME product portfolio.
- Learn how to achieve the perfect personalised colour result for your clients.
- Understand the techniques, formulations and knowledge needed for colour correction.
- Explore how to take blonde clients dark and how to remove colour for clients who wish to go lighter.

HIGHLY RECOMMENDED FOR:

- All colourists new to COLOR.ME or new to colour who are looking to expand their understanding of COLOR.ME by KEVIN.MURPHY.

REQUIREMENTS:

Phone / tablet to download digital workbook

CLASS TYPE: Looks and Learn

CLASS DURATION: 10am – 1pm

LOCATION: WOOSTUDIO

CLASS FEE: Complimentary. Pre-registration is required.

FOIL

This is a 3 hours “look and learn” workshop that may be extended with an additional half-day hands-on model session. It was developed for colourists who want to learn the fundamentals of professional foiling services.

OUTCOMES:

- Learn and understand the fundamentals of high- and low-lightening services with separators like foil.
- Become efficient and precise in sectioning and selecting the right amount of hair in weaves or slices for a safe workflow and smooth results.

HIGHLY RECOMMENDED FOR:

- Colourists who have attended COLOR.ME START and want to build skills in standard high- or low-lightening services.

REQUIREMENTS:

Phone / tablet to download digital workbook

CLASS TYPE: Look and learn

CLASS DURATION: 10am – 1pm

LOCATION: WOOSTUDIO

CLASS FEE: Complimentary. Pre-registration is required.

COLOUR.XELERATE

+ Technologies are the latest innovations that complement the COLOR.ME line. This class explores the innovation COLOUR.XELERATE. Topics include product overview, mixing, formulations and reducing development time. Colourists can also incorporate hands-on to experience the latest technology first hand.

OUTCOMES:

- Discover COLOUR.XELERATE that helps you to reduce your clients time in the chair and allow for your team to take extra appointments in the day.
- Explore and gain a deep understanding of the uses of COLOUR.XELERATE.
- Learn how to achieve the perfect personalised colour result for your clients.
- Explore how to formulate grey coverage and colour balance without needing a timing intermission that allows for smoother applications of colour services.

HIGHLY RECOMMENDED FOR:

- All colourists that use COLOR.ME to help understand how to use and incorporate COLOUR.XELERATE into their colour services

REQUIREMENTS:

Phone / tablet to download digital workbook

CLASS TYPE: Looks and Learn

CLASS DURATION: 9am – 10:30am

6pm – 7:30pm

LOCATION: WOOSTUDIO

CLASS FEE: Complimentary. Pre-registration is required.

REFINED

This essential colour class is a comprehensive exploration of refining — also known as toning — on all depths of hair. You will learn how to choose refining colours that achieve your desired result and how to attain better durability for your clients. The class is designed to help you further your technical skills, address challenges and deliver the best refining results possible in the salon. Learn the importance of creating the perfect canvas and choosing between a SHADE and a TONER; understand the art of communication with clients; and, of course, pick up tips on counteracting unwanted tones. This class will transform you into a master of finishing on all COLOR.ME colours!

OUTCOMES:

- Gain an understanding of toning to refine and learn how to choose products that create beautiful and personalised colours for your clients.
- We look at using techniques such as shadowing and zone toning to bring your colour work to the next level.
- Learn how to apply the range to create dimensional reflects that live, move and flatter the wearer every time.

HIGHLY RECOMMENDED FOR:

- Colourists who have completed COLOR.ME START and seek further understanding on how to create the perfect, refined end result.

REQUIREMENTS:

Phone / tablet to download digital workbook

CLASS TYPE: Theory and Hands-On

CLASS DURATION: 10am – 1pm

LOCATION: WOOSTUDIO

CLASS FEE: Complimentary. Pre-registration is required.

BLONDE.TECHNIQUES

An advanced and dedicated blonde session that explores everything from undertone to application. This class is designed to further your lightening skills, grow your knowledge in selecting the correct product and address common lightening challenges. Focuses include hair diagnosis, client consultation, lightener selection, advanced lightening colouration, removal of artificial colour, troubleshooting and the point of difference between each product. BLONDE.TECHNIQUES also covers freehand techniques and high-fashion looks, exploring the ease and simplicity behind achieving gorgeous, lit-from-within colour. Learn to deliver natural, easy-to-maintain colour with invisible new growth, and understand practical salon techniques that clients crave.

OUTCOMES:

- Gain communication skills and learn how to address common problems with blonde hair.
- Understand the differences between all of our lighteners and when to use a SHADE rather than HIGH.LIFT.
- Discover how to remove colour while leaving the hair in optimal condition.
- Learn new takes on commercial techniques to enhance your blonde applications and results.

HIGHLY RECOMMENDED FOR:

- Colourists wanting to improve their COLOR.ME blonde portfolio knowledge and explore new technique ideas utilising painting, foilage and balayage skills.
