FROMM

OUR TOOLS, YOUR ART

Our curated tool collection boasts the latest technology, high-quality materials, as well as superior craftsmanship and design for unparalleled performance - so stylists have the best tools to fully carry out their creative vision.

THE FROMM SALON

Fromm is the only multi-category brand that can outfit an entire salon with distinctively designed collections, that include everything from shears and brushes to colour accessories and towels. Our product line is created with rigorous attention to detail paired with modern, sophisticated finishes and a standout design to elevate the salon in addition to enhancing the experience of every guest.
