

This is a half-day look and learn workshop that may be extended with an additional half-day hands-on model session. For colourists that want to learn the fundamentals of professional foiling services.

OUTCOMES: Understanding and learning the fundamentals of high and low-lightening services with separators like foil. Become efficient and precise in sectioning and selecting the right amount of hair in weaves or slices for a smooth workflow and safe results.

HIGHLY RECOMMENDED FOR: Colourists that have attended COLOR.ME START and want to build skills in standard high or low-lightening services. For experienced colourists that want to improve their precision.

REQUIREMENTS:

No Hairdressing Tools Required
