

BLONDE. TECHNIQUE

An advanced and dedicated blonde session that explores everything from undertone to application. This class is designed to further your lightening skills, grow your knowledge in selecting the correct product and address common lightening challenges. Focuses include hair diagnosis, client consultation, lightener selection, advanced lightening colouration, removal of artificial colour, troubleshooting and the point of difference between each product.

BLONDE.TECHNIQUES also covers freehand techniques and high-fashion looks, exploring the ease and simplicity behind achieving gorgeous, lit-from-within colour. Learn to deliver natural, easy-to-maintain colour with invisible new growth, and understand practical salon techniques that clients crave.

OUTCOMES: Gain communication skills and learn how to address common problems with blonde hair. Understand the differences between all of our lighteners and when to use a SHADE rather than HIGH.LIFT. Discover how to remove colour while leaving the hair in optimal condition. Learn new takes on commercial techniques to enhance your blonde applications and results.

HIGHLY RECOMMENDED FOR: Colourists wanting to improve their COLOR.ME blonde portfolio knowledge and explore new technique ideas utilising painting, foilage and balayage skills.
