

REFINED

This essential colour class is a comprehensive exploration of refining — also known as toning — on all depths of hair. You will learn how to choose refining colours that achieve your desired result and how to attain better durability for your clients. The class is designed to help you further your technical skills, address challenges and deliver the best refining results possible in the salon. Learn the importance of creating the perfect canvas and choosing between a SHADE and a TONER;

understand the art of communication with clients; and, of course, pick up tips on counteracting unwanted tones. This class will transform you into a master of finishing on all COLOR.ME colours!

OUTCOMES: Gain an understanding of toning to refine and learn how to choose products that create beautiful and personalised colours for your clients. We look at using techniques such as shadowing and zone toning to bring your colour work to the next level. Learn how to apply the range to create dimensional reflects that live, move and flatter the wearer every time.
