

pH.D

This class will take you on a comprehensive journey through our innovative product pH.D — the alkaline-to-acid transformer — and it will help you to create the most seamless and beautiful formulation results. Understand the instructions for the best possible results, and gain a deeper understanding of pH.D additive ratios for depositing, applying tone on tone, grey blending, refining and glossing your clients' hair.

OUTCOMES: Become confident in creating the perfect formulation for your clients and personalising the end result while ensuring the hair is left with the highest integrity.

HIGHLY RECOMMENDED FOR: All colourists who are new to pH.D, have attended START and would like to extend their confidence on utilising pH.D in the salon.
