PART THREE (See Page 1, PART THREE – Facts/Allegations.): The specific thing or things I am complaining about are: (attach additional sheets as necessary)

On or about May of 2014, the attorney mentioned above was retain the amount of \$65,000 to provide me legal assistance during my direct appeal. The attorney was not requested to do nothing more than direct appeal. I have 3 witnesses that could verified such at any time. The attorney never submitted a notice to appear in Court to represent me, nor have the attorney provide me with any legal assistance whatsoever on my direct appeal. I have asked for the funds back, as well as have my entire family. The attorney did not respond until I filed a complaint to your office. The attorney on the other hand, responded to the complaint by creating a false letter agreement alleging that she was retained to help with section 2255 and some immigrations issues. The attorney letter does not have any date when she signed or even has my signature for that matter. True is, she was required to do only my direct appeal. As every attorney on Florida bar know, you could not do a section 2255 until you direct appeal is done. So, the allegation of retained the attorney during the direct appeal to do section 2255 is total frivolous and false. Later, after the attorney sent to me another letter agreement claiming falsely that she was retained to do section 2255 and promises that she would refund \$25,000 to my mother. I have signed the letter, not that I have agree with she is saying under the letter, but because we need our money. Hence, the attorney has never refunded the \$25,000 back. I am here to ask the Florida bar to investigate this attorney because this is clear not right. The attorney knew the law and used to take advance on me and my family. Worse, she signed another agreement promises refund \$25,000 and never refund it.

PART FOUR (See Page 1, PART FOUR – Witnesses.): The witnesses in support of my allegations are: [see attached sheet].

PART FIVE (See Page 1, PART FIVE – Signature.): Under penalties of perjury, I declare that the foregoing facts are true, correct and complete.
