An Announcement from the Rector

Dear Friends,

The following announcement was shared at our services on Sunday 10th May:

I wanted to share some personal news with you all. I have been appointed as Rector of Bath Abbey and will be leaving my role as Rector of these wonderful parishes during the summer. The announcement has been made at our four services this morning and at the Abbey.

The exact timetable is yet to be agreed, but I expect to be finishing my ministry here in August.

We arrived almost five years ago (to the day) as a family of two. We will leave as a family of three with deep gratitude for the love and support you have shown to us.

There will be opportunities for more formal goodbyes in the coming months, but for now we want to say thank you for your love and support during my years as Rector of these six parishes.

Since sharing this news, we have been touched by the many messages expressing your best wishes and congratulations, but I have heard some anxiety around the future. While I don't yet know the exact date when I will be leaving, I thought it might be helpful to reassure you that life in our parishes will very much continue as normal until then and beyond.

Shortly after my departure the Archdeacon will meet with churchwardens to offer support during the interregnum. Churchwardens will be the first point of contact for each parish during the vacancy. In due course representatives from each parish will then meet to create a Parish Profile which conveys everything that these parishes have to offer, and what you hope for in your next Rector.

Please be assured of my prayers for you all as you move into a new chapter under God's guidance; and please pray for us as we move to Bath. There will be more details in the next Magazine.

Yours in Christ,

Tan K. Mills +

Bishop's Letter - Transforming our Communities through the love of Christ

In the early days of the Ukraine war, the Diocese of Hereford where I was then serving, was approached by Herefordshire Council. They had been so impressed by the work of church members during the pandemic, who had stepped-up to support their communities in practical ways, that they asked if the diocese would take-on organising homes for Ukrainians fleeing the war. "Yes, of course," we said. And so began an ongoing partnership, where hundreds of Ukrainian guests have found homes in the Welsh Marches, and hundreds of tonnes of aid has gone across to Ukraine.

That's just what we do as the Church, isn't it? We see a need in our communities and, motivated by Christ's love and teaching, we try to meet it. And we do it out of love, not seeking any reward. We are volunteers.

The word 'volunteer' comes from words meaning, 'of a person's free will.' Volunteers serve willingly. Freely. Out of love. So many in our diocese serve our communities willingly, freely, out of love. We are deeply grateful. There are Foodbanks, lunch clubs, debt counselling services, mental health first aiders, bereavement cafes, after-school clubs, and youth drop-ins. That barely scratches the surface. All of this is done in the name of Jesus Christ, the One who came and gave Himself for us willingly; freely; out of love. And it's transformational.

One of the areas of our common diocesan life which I'll be involved with is our work around Transforming Communities. There will be a lot more to be said in the coming months, but for now, I simply want to thank all our volunteers who serve willingly, freely, and out of love and say how much I'm looking forward to celebrating what we have, and building on it together, transforming our communities through the love of Christ.

+ Fiona Gibson, Bishop of Taunton

Celebrating 50 years of care, South-West Hospice Dorothy House, is hosting not one but two noble gardens this year. The first is kindly hosted by Dorothy House Patron, Her Grace Miranda, Duchess of Beaufort at her private residence. **Well Cottage on the Badminton Estate** offers a rare chance to explore a peaceful retreat, usually hidden from public view. Between **10.00am** and **4.00pm** on **Sunday 14th June**, visitors can wander through charming cottage borders, beautifully designed garden spaces and enjoy vibrant seasonal colours.

A beautiful event so that many more people can discover the healing power of nature and it's powerful relationship with end of life care.

Felton Village Hall

The last Film Night, '*Song Sung Blue*' was very enjoyable, a joyful crowd pleaser but emotional true life story. Profit made was £60. The Film Nights will now take a break for the summer.

The Hall AGM is on **Monday 29th June at 7.30pm** to which everyone is welcome.

100 Club draw took place at the Film Night and the £50 winner was Mrs Carol Bale (number 183) and £25 winner was Mrs Julie King (number 157). Well done.

Angela Britton

Felton & Winford Tuesday Group

Unfortunately our speaker cancelled at short notice last month, so we had a games/social evening. Although there weren't many of us, we had a nice evening, more chat than games!

This month is our **Supper Party**, which will be held at the home of Marilyn Gray, **4 Pound Mead, Felton**, on **Tuesday 9th June** at the earlier start time of **7.00pm**.

If you could bring a plate of sweet or savoury to share, along with your own plate, cutlery and glass, that would be helpful.

I will be taking names for our outing, which is a **river trip with Bristol Packet, to include a cream tea on Wednesday 8th July, 2.15pm – 4.15pm**. The cost is £25.80, payment either in cash, or by cheque payable to *Felton Tuesday Group*.

I look forward to seeing you all on the 9th. Let's hope the sun shines on us.

Anne Cantwell

Felton Flower Show Society

Pleased to say we had a really successful Plant Sale last month at Felton House. A big thank you to all those who supported us.

It was lovely to see so many happy people on a bright and sunny morning. As usual, the plants disappeared very quickly and even the house tours sold out. A few braved the new tower tour to enjoy wonderful views from the top.

Our grateful thanks to Rob and Terri for hosting this event, to Angela and her team for organising refreshments, along with all our other helpers.

We look forward to seeing you all again next year, make sure you get there early!

Anne Cantwell

Important Information from your Community Shop

As many of you will know, our Shop and Post Office will be undergoing some building work and because of this, it has to **close from 4.30pm on Wednesday 24th June and reopen at 9.00am on Friday 10th July** (subject to everything going to plan).

For that time, we will be situated in **Winford Village Hall** providing you with **daily papers, bread and milk, from 9.00am to 11.00am every morning**. Unfortunately, we will be unable to operate the Post Office but we will have some **stamps**.

If there is anything you would like us to stock during this period, please let the shop know in advance, we will do our best to oblige.

If anyone can help, we need the use of a **transit sized van** for a few hours on **25th and 26th June** to move current stock to another store in the village, and similarly to take it back ten days later. Please contact the shop on **01275 472222**. We have plenty of volunteers ready to load-up but lack transport and a driver.

When we reopen, we look forward to welcoming you all back and if you are not already a customer, please come in, we may surprise you with the variety of services we offer. You may even decide to volunteer behind the counter. We look forward to seeing you.

FELTON CHURCH APPEAL

St Katharine's Church, on the edge of Felton Common, is an important part of the village. Recent years have been challenging for us all and that's the same for our church. Like all homes we need to look after our building and surrounding land. **We don't receive any funding – not from the local authority or the Church of England.** Our challenge is to keep the doors open, not just for regular worshippers but for anyone in the village who values having a local church.

I am writing to you as Church Treasurer. **Our annual costs are £23,000**, which includes heating, lighting, insurance, general maintenance and a contribution to the costs of our Rector.

We have a very good building that we have cared for well, and we do all that we can to keep an efficient household, but we need to do some building work this year **and we need help from local people.**

If you are able to make a donation or you are interested in helping us on a practical level I would love to hear from you.

Thank you, Sam Carrier

Word of Wisdom

When you enter this church it may be possible that you hear 'the call of God.' However, it is unlikely that He will call you on your mobile. Thank you for turning off your phones.

If you want to talk to God, enter, choose a quiet place and talk to Him.

If you want to see Him, send Him a text whilst driving.

The King of Instruments!

Fun session designed for young people

SUNDAY 28 JUNE, 2.30PM TO 4.30PM

Learn about the organ and the fantastic range of sounds this amazing instrument can produce with expert guidance from Eric Tyson of the Bristol & District Organists' Association
Information from jill.broadhead@cpsoutlook.co.uk

FREE event + refreshments. All welcome! www.stoweychurch.com

We are holding a **Try the Organ** event at **Stowey Church, BS39 5TQ** on **Sunday 28th June, 2.30 to 4.30pm.**

This event is specifically designed for young people, probably from 8 or 9 years of age, but all are welcome.

Eric Tyson of the Bristol & District Organists' Association, a very able organist and good communicator, will lead the session, with one of our own organists, Tricia Rees-Jones, participating. We plan to make it a fun session! And anyone can have a go on the organ. No experience is needed.

The small and well-maintained organ in Stowey Church is an interesting instrument, capable of producing an amazing range of sounds, some of them very loud and a few, rather rude!

It's free, refreshments will be provided and of course we have a loo!

This might well be an opportunity for the aspiring organist of the future....another Anna Lapwood, who manages to fill large concert halls and huge Cathedrals for her performances!

You'll see that we're not taking bookings, but if anyone wants information, they can contact me, jill.broadhead@cpsoutlook.co.uk

With grateful thanks, Jill Nicol, Churchwarden, Stowey Church

Save Felton Common News – June 2026

Much has happened since our last update. On Sunday 19th April we held a very successful action day with a full-scale mock-up of columns, lights and fences on the Common and activities and refreshments in Felton Village Hall. An estimated 300-500 attended and a repeated response was

that most had not realised the lights virtually split the Common in two and the scale of the intrusion.

On April 23rd the Airport's application 26/P/0686/OU2 finally appeared on North Somerset's Planning Portal.

It took North Somerset's planning professionals almost a month to process this huge complex application but disappointingly members of the public are only being given 8 weeks to respond, and **all comments must be made by Sunday 28th June** [see p12]. This is despite many of the initial 485 documents being anything from 1-900 pages long, many requiring magnification to be viewed on a home laptop or similar device. A hard copy of the application (19 A4 ring binders 3-4" deep) is available to view in Weston Library, and thanks to lobbying from SFC and the very helpful librarian, also at Nailsea Library. If you want your own copy Bristol Airport will supply one for an unbelievable £5000! One would almost think they are trying to make it as difficult as possible for people to understand their application and comment accordingly!

Despite all the complications the basics have not changed since the "Runway Approach Lighting Consultation" which was **universally rejected** by the 940 respondents back in December. So, the application still includes lights increasing to **8.5m** high **240m** into the Common, some aircraft landing **12.5m** lower from the east, and an increase to **15 million** passengers per year with more night flights, and all the problems this could bring to the area.

We hope as many people as possible will comment on the application. You do not need to be a North Somerset resident and can comment more than once. To maximise the impact, it can be helpful to make your comments as personal as possible, how are you currently affected by the Airport, and what are your concerns if the application is approved.

There is a lot of help available on our new website **www.savefeltoncommon.org** which has links to NSC's Planning Portal, so you can view all of the application and make comments. It also links to Bristol Airport Action Networks (BAAN) objection letter template, and our joint **crowdfunding** page – that raised **£4,000 in its first 24 hours**. Lastly you can **join SFC to receive e-mail updates** of any news.

Lastly, we must mention WPC's mitigation survey. Whilst WPC is against any expansion, they have been advised by their lawyers and NSC to obtain villagers' views (see enc. flyer). SFC however, feels this action is premature, does not reflect the views of the majority of villagers, and sends the wrong message to the Airport. We would ask those of you who feel the same to complete the survey accordingly. SFC is concentrating on fighting the application and believe we have a good chance of success with the support of the Community.

We hope you find this useful.

Simon Martin on behalf of SFC **savefeltoncommon@gmail.com**

Winford Parish Council Meeting – held on Monday 20th April 2026

Open Forum. Two members of the public attended to express their disappointment regarding the closure of the Compost Site which, they explained, was well used by residents of Higher Winford for their domestic green waste as well as for the fallen leaves and grass cuttings from the nearby verges. The Chair explained the long history of the site and the rationale for its closure. The Parish Council agreed that they would consider any detailed proposals for the use of the site.

Footpaths & Highways. North Somerset Council (NSC) were due to share updated Highway Improvement Plans for outside Winford School with the Primary School, the Prince of Waterloo Pub, and residents in the immediate vicinity. NSC were also in the process of creating an online survey to help gauge local support. This would be shared via the Parish Council's communication channels once it became available.

Following a request from a resident to erect signs warning motorists about the existence of hedgehogs, the Parish Council agreed that the signs could be erected provided they were not permanent. The Clerk would inform the resident and NSC of the decision.

Felton Common. The land agents acting on behalf of Bristol Airport had informed the Clerk that they were not in a position to formally write to the Parish Council at present regarding their proposal to de-register aspects of Felton Common to erect landing lights. This was because suitable replacement land had not yet been identified. However, they had explained that they were actively working on this, and would be in touch with the Clerk when replacement land had been identified.

A quote to install a trough on Felton Common had been received from Bristol Water. The Clerk would liaise with NSC regarding the proposed location of the trough to ensure this would not interfere with the Bridleway. The Parish Council would pay for the cost of one trough but not the connection charges, or subsequent water supply. The quote would be shared with the Commoner currently grazing cattle on the land for their consideration.

Following attempts by the Parish Council to facilitate improvement works to the lower track on the northern edge of Felton Common to promote ease of access, several residents had queried why the Parish Council were not doing the same along the top track leading to Big Bullock Farm. The Parish Council did not agree to facilitate improvements to this track as it was an unadopted track. Residents had also asked for 'private road' signage to be placed on the same track. The Parish Council did not agree to this request. The Parish Clerk would update the residents accordingly.

It was resolved that the Airport were permitted to install automatic bat detectors on the Common to collect data for NSC's area wide survey, provided the results were shared with the Parish Council.

Airport. The Parish Council were successful in their application to the Airport's Environmental Improvement Fund for £15,000 towards the cost of Road Safety Measures outside Winford School. This was in recognition of the retrospective impact of Airport traffic at the location.

The Clerk would remind residents that any previous responses they had made to the Airport's Public Consultation regarding their expansion plans (the 'Master Plan' and proposal to erect landing lights on the Common) would need to be re-submitted to NSC as part of the planning

process if they would like their comments to be considered. The Clerk would place a notification on social media and in the Village Magazine to this effect. [See p12 and SFC article p13]

Compost Site & Allotments. It was resolved that the Compost Site Working Party would be disbanded now that the Compost Site had closed. The 'Compolut' Working party would be renamed as the 'Allotment Working Party' to reflect this change. The Parish Council would consider the alternative usages of the Compost Site in due course.

Planning Matters. There were a number of planning applications within the Parish that had yet to be decided by NSC and their decision date had lapsed. The Clerk would liaise with District Councillor Waite to seek an update on the applications.

The Parish Council had received a complaint regarding the unsightly appearance of the boundary of property in Winford which was currently going through the planning process, the Clerk would contact the owner in order to inform them that complaints had been received.

Parish Property. It was resolved that tree work conducted by contractors instructed by the Parish Council at Higher Winford were conducted in line with instructions and the specification of NSC's tree officer. When the growing season was over, the Parish Council would review the Parish Council's tree assessment and consider any required action.

The Clerk would ask the contractor who maintains the grass within the parish, to cut the vegetation that was currently obscuring the Finger Post on the Village Green in Winford.

The Clerk was still in the process obtaining conveyancing quotes for the acquisition of Vee Lane Play Park.

The Clerk had received a report that the vegetation at Walton Crescent Play Park needed attention and the equipment would benefit from a clean. It was resolved that the Parish Council would seek support from local residents to assist with the matter.

Any other business. The Clerk was still in the process up obtaining three quotes for upgraded Defibrillators within the Parish, and the Parish Council were still in the process of arranging a meeting with the owner of Winford Manor.

Next meeting: Wed 20^h May. **Upcoming meeting:** Mon 22nd June, 7.30pm at Felton Village Hall.
