Dear Friends,

The eagerly awaited rain has finally made an appearance, bringing much-needed relief to our surroundings. The lawn has regained its vibrant green hue, the grass in the fields is beginning to flourish once more, and familiar puddles are forming along the roads. Despite the unmistakably autumnal chill in the air, there is little room for complaint, given how desperately we have needed the rain.

October marks the period when most of our parishes come together to celebrate Harvest. During this time, we gather to express our gratitude for the crops that have been grown and gathered, and to thank God for His enduring goodness. While it may seem unusual to offer thanks at a time when farmers are already resorting to winter fodder for their livestock and our gardens still bear the scars of a dry summer, Harvest serves as a reminder that much in life remains beyond our direct control.

There is a unique satisfaction found in singing Harvest hymns—be it the cheerful "Cauliflowers Fluffy" or the classic "Come Ye Thankful People, Come"—and in bringing gifts to be shared among those in need. The vibrant displays of apples, corn and sunflowers in our churches, underscore the bounty and beauty of the season. These traditions remind us that we do not exist in isolation. Instead, we are part of a wider community, one that extends beyond humanity to include plants, animals, fungi, the soil beneath our feet, the water we drink, and the land we inhabit.

This Harvest season, you are warmly invited to participate in any of our churches' Harvest thanksgivings, or simply to spend a quiet moment reflecting on your place within the broader community of creation. Take this opportunity to acknowledge the gifts that this interconnected community offers, and give thanks for the role we all play within it.

***Yours in Christ,
Fran***

Bishop's Letter – For or against: slavery and salvation

Much of our world operates around the challenge to be 'for' or 'against'. And generally, it is easier to be against things than for them! Look at the tendencies of the media, politics and religious disputes.

On 18th October, Anti-Slavery Day, people across the UK will recommit themselves to the fight against modern slavery and human trafficking, one of the great evils of our time. Like William Wilberforce and what we now call historic slavery, we need to fight against the oppression and exploitation of our sisters and brothers today. Abolition is the proper aim of being anti or against.

And the challenge is growing with:

- More vulnerable people susceptible to false promises
- Increasingly flexible working arrangements which gives space for criminal agencies to provide goods and services based on exploitation and slave labour
- Police and prevention resources being ever overstretched
- And our own insatiable appetite for cheap products

There is much we need to learn to oppose and abolish. But, in facing these almost overwhelming challenges we must not neglect what is primary for our Christian witness, the call to notice, reach out, rescue and restore. The call to love, to be for those who are hidden, neglected, hurting and ignored.

In Anti-Slavery Week, give time to thinking how you or your church or home group could better learn how to contribute to the fight against modern slavery. **The Clewer Initiative** has some amazing resources to help us open our eyes and assist the authorities and reach out towards victims.

But, alongside these prayers and practices, consider how you could go the extra mile in the way of the Good Samaritan. Going beyond the indifference of the priest and the Levite, too busy to stop, notice, reach out, rescue; rather how can we better contribute to establishing systems like the partnership between the Good Samaritan and the innkeeper – systems to provide care and the basis of restoring proper health and opportunities to those whose cries represent the voice of Jesus for those willing to listen.

Be against modern slavery this October, but more, be for those who need our friendship and our partnership.

+ Bishop Alastair Redfern, Honorary Assistant Bishop of Bath & Wells

[Visit clewer.org.uk for Modern Slavery resources to help you reflect on how you can contribute to the fight against modern slavery.]

If it looks wrong...

Somerset and the South West may look peaceful, but slavery happens here just as it does in cities. The countryside looks soft and safe, so it's hard for people to imagine. But it does take place.

Who are the people being exploited?

The largest group on the government's support scheme are UK nationals. Vulnerabilities such as homelessness, drug abuse, and family breakdowns, are exploited.

How can we spot if slavery might be happening locally?

There are no definitive signs, but there are indicators. Our view is: ***if it looks wrong, it probably is wrong.***

We see abuse in nail bars, car washes, and the construction industry. Pop-up brothels are another issue, particularly around the Hinkley area. And increasingly, we're seeing exploitation in the care sector.

Why is the care sector such a concern?

There are over 130,000 vacancies in the care sector, and traffickers know this. People are being brought in, particularly from abroad, to fill the gap. Many of them end up trapped and exploited. It's a hidden crisis.

What can people or communities do?

Churches and communities can play a big role. Many parishioners either live in care homes or work in them, so they're in a position to notice the signs. Think: ***if it looks wrong, it probably is wrong.***

If you suspect slavery:

- Or contact the Gangmasters and Labour Abuse Authority (GLAA): **0800 432 0804**

Felton & Winford Tuesday Group

Last month was our planning meeting, so now I can start putting next year's program together. This month **John Highnam** is talking about **his experience of a real volcanic eruption in New Zealand: 'Ngauruhoe - Don't go up the volcano!'**

I will be handing-out slips for our Christmas meal and would appreciate if these could be completed and returned in time for our November meeting, with payment if possible.

Maggie is keeping the price the same as last year: £24 for 2 course, £27 for 3 course, with the usual extras.

Remember, visitors are always welcome if you would like to give us a try, for just £2 to include tea/coffee & biscuits.

I look forward to seeing you all on **Tuesday 14th October** at **Felton Village Hall** for **7.15pm start**.

Friday 21st November 7.00pm back by popular demand a **Cheese n Wine Evening** hosted by Martin Britton. This is a fun evening trying different wines and assorted cheeses.

Cost £20. **Tickets** available from Angela Britton **(01275) 472223** or Paul Hatherell **(01275) 472802**.

'An Evening with Steve Davis' was a very successful and enjoyable time had by all with plenty of laughter. We would like to thank people for their appreciation of the evening.

Profit made at this event was £3,274 which was amazing, and this is split between the Hall funds and Steve's charity, *Feline Cats Protection*. A special thank you to Paul for arranging this event, to the catering team, bar staff, Shaun for the auction and car park attendant.

100 Club was drawn at the Steve Davis evening and the winners were:

£50 Mr M Bale (number 124) and £25 Mrs C Williams (number 123). Well done.

Don't forget to get your tickets for the Cheese n Wine Evening. It was nice to see different faces at our last event so please support the next fundraiser, everyone is welcome.

Felton Flower Show Society

Despite our concerns regarding entries for The Flower Show (Saturday 23rd August) we were pleasantly surprised, that not only did more people enter than last year but entries were slightly up. We received very positive comments from the judges and those who attended in the afternoon. It was lovely to see the Hall full of so many happy, smiling people.

Also encouraging was that there were several new entrants, and others who would enter next year, so hopefully the future of The Show will be secured.

Our grateful thanks to all those that helped on the day, with the raffle and refreshments exceeding our expectations.

I wanted to take a moment to say a big thank you to all the children, staff, and families for such a warm and positive welcome. It has been a real pleasure getting to know the school community, and I'm incredibly proud of how smoothly the new academic year has begun. Our new Reception children have settled in beautifully—full of smiles, curiosity, and enthusiasm. It's been lovely to see them exploring their new environment and already becoming part of the Winford family. It's also been fantastic to see all our returning pupils back in school, refreshed and ready for the year ahead. Classrooms have been buzzing with energy and learning, and I'm very much looking forward to watching everyone grow and thrive this year.

We're also pleased to welcome several new members of staff to our team: Mrs Thornton, Miss Cook, Miss Stephens, Mr Leddy and Miss Haskins. They've each made a great start and bring with them lots of experience, enthusiasm, and fresh ideas. I'm confident they'll be a wonderful addition to our school.

Parish Council News from Annemieke Waite, District Councillor

Dear All,

I hope this finds you well and settling into autumn – as I write, the rain is pouring down and summer already feels a long way behind us.

Here are the latest updates on local services and news for our community.

P1 Bus – Use It or Lose It

By now, you should have received the new P1 leaflet and timetable. The route is still on its 18-month trial (to March 2026). Usage has been encouraging – especially the early morning service – but we need more residents to get on board. Quite simply: if we don't use it, we'll lose it.

This would be a real setback, especially as 2026/27 will bring a year of major roadworks on the A38. Having a bus that avoids the jams will be a huge benefit. The P1 also provides vital links for commuters and collects children from Backwell School mid-afternoon. If you haven't yet tried it, please do so this autumn and through the winter. The more passengers we have, the stronger our case to keep the service long-term.

Recycling – Your Efforts Are Paying Off

The new black bin and recycling collections are already making a difference: black bin waste is down 20%, recycling is up 10%, food waste collection has risen 12%, and there has been a big rise in cardboard recycling. This is a great start and shows what can be achieved with a little goodwill – so thank you for your efforts.

Some residents have found that the larger red recycling bags, introduced this summer, are fading and splitting. Other councils using the same batch have had the same problem. As the smaller trial bags remain in excellent condition, we believe this batch is faulty and are now in discussions with the supplier.

Recycling Centres – Book Your Slot

From this autumn, our recycling centres will move to a booking system. You'll be able to pick a time that suits you and avoid queues. Similar systems in Bristol, B&NES, South Gloucestershire and Gloucestershire have proved popular, reducing wasted trips and allowing staff to focus on helping with recycling rather than managing traffic. It will also avoid people from outside our district tipping at our sites – and costing us money!

The new system will first be introduced in Weston-super-Mare, with Backwell and Portishead to follow later this year. Booking is simple and can be done online at

www.n-somerset.gov.uk/recyclingcentres or by phone for those not using the internet or the North Somerset app.

Thank you all for your continued support. As always, if you have any questions, concerns or comments, please feel free to contact me.

With best wishes,

Annemieke

RNLI CHEW VALLEY BRANCH

Curry Lunch Event Thursday 13th November

The Chew Valley Branch of the RNLI is holding the popular Curry Lunch again this year, at **Ubley Parish Hall, BS40 6PN**, and we are looking forward to welcoming supporters to our event when the **doors open at 12noon**. We will have a cash bar with a choice of beer, wines and soft drinks.

We will run our usual raffle with some great prizes and RNLI Portishead will be on hand with Christmas cards. We have held our price over the last two years but have reluctantly had to increase the price this year to £17.50 pp.

Please support our event and **book your places** by applying to rnlichewvalley@gmail.com but don't leave booking too long as this event is often oversubscribed. If you want to make up a group of friends and make a table reservation, please let us know. We look forward to hearing from you.
