Letter from our Rector, the Rev. Dr. Ian Mills

Dear Friends,

The winter months of early darkness and shortening days will soon be punctuated by many thousands of tiny, blazing lights. Homes, schools, businesses and churches in our villages will be bathed in the glow of countless glistening fairy lights and candles each evening in the run-up to Christmas.

In church, the four weeks preceding Christmas are set aside as a special time for preparation. This season of Advent is really all about darkness, and how darkness was broken by a wonderful light. 'The people who walked in darkness have seen a great light' wrote the prophet Isaiah in the Old Testament, foretelling that our dark world would one day be visited by a great light and would never be the same again.

The season of Advent is important not just because it gives us an opportunity to step aside from the busyness of December. Advent is also important because darkness has a part to play in our spiritual development. A difficult part of being a Christian is being able to admit to ourselves that we cannot expect to see and understand everything clearly. We stumble in the darkness, disorientated and unsettled. We know that there are gloomy shadows in our world and in our lives that artificial light cannot dispel.

Christmas reminds us that God sent a light into this dark world in the most unlikely form of a helpless child. A light which 'shines in the darkness, and the darkness has not overcome it' (John 1:5). As we enjoy the festive glow of Christmas lights, let's remember the 'true light' of the world who came to save us from the darkness..

May the peace of the Light of the World, the Christ-child, shine into your homes and your lives this Christmas.

Ian K. Mills +

Remembering Those Who Served

On the 11th November, the whole school community gathered in the hall for a poignant Remembrance Day service, led by pupils from our Worship, Ethos and Equality Team. This special occasion provided an opportunity for pupils and staff to reflect upon the sacrifices made by those who have served our country. The service included a two-minute silence, a time for contemplation and respect. It was a powerful moment that united us all in remembrance.

We were honoured to have Mr. Priday, one of our school governors, join us. Mr. Priday shared his personal experiences of serving in the military, offering valuable insights into the challenges and sacrifices faced by our armed forces. His words brought the history of Remembrance Day to life and inspired us all.

Chew Valley Community Transport Scheme Urgently Needs More Volunteers!

If you, or anyone that you know, might be interested in volunteering for CVCT, either as a driver or by joining our team of coordinators, please contact us to ask for more information:

CVCT phone number: 01275 333430 – or email: cvct.coordinator@gmail.com

Shop and security – the village shop has been open for 6 months now and is proving very popular with the community. Sadly, the shop was broken into in early October. Very quickly £1150 was raised by Crowdfunding to help the shop tenant purchase security shutters, and CSPC and the Ward Councillor are still looking for further grants to boost this.

The new parcel lockers at the front of the shop are partly positioned here for security reasons. A member of the community shop group is liaising with the shop tenant.

Bristol Airport - Bristol Airport's application for 12 million passengers a year (MPPA) has been approved. The airport has a new master plan with growth to 20 MPPA for 2040 and a pre-planning application for growth to 15 MPPA much earlier. The effect on local villages could be significant, CSPC are members of the Parish Councils Airport Association who are monitoring this and meeting regularly.

Bristol Road -The proposals for changes to Bristol Road to make a safer crossing area are progressing in B&NES. Neighbouring residents to be notified by B&NES shortly with a view to undertaking the works in mid-December. The road surface at the Quarry Hay junction is to be buff colour, the pavement corners to be built out (to reduce the width of the road for pedestrians and to slow traffic) and bollards will be positioned along the length of pavement to improve sight lines for pedestrians by preventing pavement parking.

Speeding and road safety – a working group has been formed (1 councillor and 6 residents) to assess various aspects of road safety and speeding in the village and approach roads. Work is underway on various projects and the PC will be updated prior to monthly meetings.

Chew Stoke was awarded a Silver Gilt Award in this year's SW Village in Bloom Competition. Chew Stoke Church School also won an award in the 'It's Your Neighbourhood' category. Thank you to everyone who helped over the summer to make this a success. Winter planting is underway, and plans being discussed to enter again next year.

Westaway Field and Cooks Meadow – would you like to dedicate a tree in Chew Stoke to remember a loved one, or mark a special occasion? The PC has a few young trees in Cooks Meadow available, please contact the [Clerk](#) for more details. <https://www.chewstoke.org.uk/parish-council/westaway-fields-and-cooks-meadow/>

CSPC attended the Parish & Town Council Briefing on the Local Plan Reset on the 7th Nov. B&NES have been asked by the new government to increase housing supply from 717pa to 1466pa (104%) over the next 20 years. This new demand could set the Local Plan update back by a year. It is important to remain involved with discussions, to contribute views about the 5-year housing land supply. As much of B&NES is a World heritage Site, there may be pressure for more rural areas to take a higher proportion of the new housing.

Further useful information on the village website: <https://www.chewstoke.org.uk>

Next meeting Thursday 5th December 2024 at 7.30pm in the Village Hall, Chew Stoke.

NB: January meeting will be a week later than normal - Thursday January 9th 2025.

Clubs & Societies

At the **MAJESTIC** Aka Chew Stoke Village hall

The Majestic Cinema in Chew Stoke has a truly magical film for Christmas - one for all the family –

Mr Magorium's Wonder Emporium (U)

Thursday 12 December Doors 7pm for 7:30 screening.

Magic flows freely through the walls and toys within the Wonder Emporium. But when Mr. Magorium (Dustin Hoffman), the store's 243-year-old proprietor, decides to turn the reins over to his manager Molly Mahoney (Natalie Portman), mysterious changes creep over the Emporium. Molly and Henry (Jason Bateman), an accountant, must discover the magic within themselves if they are ever to revive the now-quiet toys.

Then on **January 30th** the new year kicks off with an uproariously funny and true story about a series of poison pen letters sent to residents of Littlehampton in 1921.

Wicked Little Letters (15)

stars Jessie Buckley, Olivia Colman and Timothy Spall is an upending of the period costume drama that's cheerfully indecent, gloriously naughty, and full of female rage at the expectations women operate under. Funny as hell and bursting with impudent energy.

Doors 7:00 for 7:30pm screening.

Dorothy House Champions raise over £350,000 in 36 hours for patient and family care.

Coming just days after the government announced its latest budget, on November 3rd Dorothy House launched their ambitious '[Bridge the Gap Appeal](#)', a 36-hour fundraising super sprint, aimed at raising £350,000 for local care across their 800 square mile service areas. Using a pioneering crowdfunding platform, over 230 amazing Champions came together to raise this incredible amount, each one sending out messages for support to their networks. Every single donation made was doubled thanks to a group of compassionate individuals, companies and trusts who had pledged over £175,000 in match funding towards the appeal. The passion and drive from Champions reaching out to family and friends to support Hospice care resulted in over **3180 donations** in the 36 hour window, totalling a staggering **£370,000**.

Don Kennedy – Head of Fundraising at Dorothy House said; *"Sometimes you are part of something that leaves you speechless. The kindness and generosity of our community, our matched funders, our amazing Champions, and those that answered their call. We simply cannot thank our community enough. The difference this will make for countless patients and families is immeasurable"*

Friendly Keep-Fit class at 10am on Tuesday mornings at Chew Stoke Village Hall. Just bring a mat to join in aerobic movement to music followed by floor exercises. Only £5 a session!

At the Annual Meeting in November, we welcomed Elaine Hunter to the committee.

Our Treasurer, Pat Peel retired after 9 years and was presented with a bouquet and a voucher for Art Materials. As we had not found anyone willing to take over her duties Pat had volunteered to continue managing the accounts from home, whilst Julie

Hughes kindly agreed to take monies at the meetings, together with other members of the present committee taking on associated tasks.

During the evening, the President emphasised how the committee appreciated Members getting involved with the running of their WI, suggesting talks or outings, taking part in events, helping with the Annual show and Harvest Home and hostessing at the monthly meetings. She appreciated no one wanted long business meetings, but we were obliged to make sure they had all the information National and Avon societies wished us to pass on. The secretary's Annual report recounted the many good talks and social events we had enjoyed over the year. FFI debbie.storey@uwclub.net

A very interesting talk then followed given by Tina Cumberlidge about Friends of Rwandan Rugby- bringing African Communities together.

Our December meeting should be fun with Cam Valley Morris Men (and Ladies) dancing for us with the opportunity to take part afterwards! There will be a traditional Christmas punch and refreshments. We have an excellent programme for 2025: the first meeting being a talk from Kya Beers, Fundraising assistant for The Children's Hospice South West, on Wednesday January 15th 7.30p.m. and on 19th February an Open Meeting with Mary Bird talking on 'The Science of Pastry Making'.

Meetings are held on the 3rd Wednesday of the month, evenings, 7.30p.m. in Chew Stoke Hall.

We also have a patchwork group running and welcome any other craft ideas. Last year we enjoyed several minibus outings which we plan to repeat in 2025. Do come along as a guest to see if you would like to join our young and older, friendly group and add your interests to widen our horizons! (Guest £5) Hazel Wedlake (President) 01275 332 812

Three Digs – An Archaeological afternoon with Dr Peter Guest and Dr Mike Watts.

Millennium Hall, Old School Room, Chew Magna.

3pm Sunday 12th January 2025. Admission £5. Proceeds for the Pound restoration.

Beneath the England that we can see are huge unrecorded, unmarked settlements and treasures, each even more valuable than the 2584 silver pennies discovered in the Chew Valley. Three sites have been discovered and partly researched in recent years, but they had to be hidden again. The story of serendipity and recent investigative science is part of the fascinating and at times amusing, but constantly interesting, illustrated talk. Explanation of why the treasures, mosaics of late Roman antiquity are now hidden. Details of some of the amazing, beautiful discoveries. The portable treasures are now housed in the British Museum, with examples on the poster at Chew Magna Post Office. The archaeological digs were organised by the British Museum, with the digging undertaken by archaeological university students. Booking is not required and there are no tickets. Details: rcade47@gmail.com.

CHEW VALLEY FLOWER CLUB We will not be meeting after November 8th, until our A.G.M.in January, so we wish everyone a very Happy Christmas.

Felling

FELLING: Dangerous or damaged tree? We can help. Many tree pruning and removal jobs are very unsafe for the average homeowner to do himself or herself. As professional Certified Arborists we have the necessary skills, equipment and fully insured and licensed to get the job done correctly and safely.

STUMP REMOVAL: Removed a tree in the past? Can't get rid of that pesky old tree stump? We can completely remove your old tree stumps using powerful machinery. Great if you want to free up some valuable garden space or just want to plant something new!

Reductions

REDUCTIONS: Healthy trees just keep on growing! When yours gets a little out of hand, we can reduce the height of the tree, and the outside dimensions to make it more manageable and let more light into your garden. We carry out our works to [British Standards 3998](#), so you can be sure we won't harm your tree... just give it a haircut!

Own lifts

CROWN LIFTS: Low hanging branches getting in your way? Do you need to clear the branches off your property? We can remove low branches safely without damaging the tree so you can gain access to parts of your garden. We can lift the crown of your tree to your requirements

We cover Bristol and the surrounding area, just give us a call on **07764 633 003** or send an email to holroydtgs@gmail.com if you'd like a quote.
