## Letter from our Rector, the Rev. Dr. Ian Mills

Dear Friends,

One of the many privileges of ministering here in the Chew Valley is being able to attend our Church Schools and, in turn, welcome children and staff from our schools into their churches. Recently, children from Winford and Chew Stoke Church Schools attended their parish churches to thank God for the gifts of Harvest and to leave Foodbank donations to be distributed to those in need.

These services are always colourful, vibrant and uplifting occasions. Soon children and staff will be returning for their Christmas services and will be back again on several occasions in spring and summer next year. In the meantime, Revd Fran and I enjoy leading worship in our schools each week and always look forward to welcoming the youngest Reception-class children for a special visit when they get to ask the Rector lots of difficult questions.

In my time here I have been asked lots of questions by our youngest children. One of my favourites followed an explanation of what the Font is, and how we use it to hold water for Holy Baptism. A young boy raised his hand and asked, 'Does it have a plughole?'. Good question (it does!).

Recently I was asked by a five-year-old whether we should pray to God, or Jesus, or both. That's the sort of deep question that really stops me in my tracks. In one of his most profound teachings, Jesus told us that we have no hope of receiving the gift of the Kingdom of God unless we do so like a child (Mark 10:15). What could he mean? Jesus loved children and held them in his arms as examples of humility, love, simple obedience and trust. These are the qualities that Jesus wants to see in those who follow him—young and old.

It also means we shouldn't be afraid to ask lots of good questions about our faith. If you're stuck, ask a child for suggestions!

Yours in Christ,

Ian K. Mills +

## **Village Shop Break-in**

Following the very upsetting and shocking incident of a break in at the village shop late on Saturday 5th October, villagers have organised a GoFundMe fundraiser to help towards the cost of installing security shutters at the shop. If you would like to show your support by making a contribution to this, please see the Village Telegraph FB page, or give a donation in an envelope in the collection box at the shop. The tenants at the shop, Thaya and his wife Holly would like to express their gratitude for all the kindness and support they have received from the community.

The Country Market is a not for profit Co-operative market providing a venue for local producers to offer high quality home made products – all kinds of baked products, local organic vegetables, eggs, smoked fish and meats and a variety of craft. **We are looking for a new Treasurer from January 2025.** Can you help with this voluntary role? (Expenses paid.) The role would require just two and a half hours attendance on a Friday morning, 9.am until 11.30a.m. Taking payments by card reader, cash or phone and later that day tallying receipts from customers with producers invoices. Producers are paid monthly on line. Simple Quarterly and Annual accounts would need to be produced for four Committee meetings a year and submitted to the National Head Office of Country Markets Ltd.

**The Market will not be able to continue after Christmas 2024 without a Treasurer** so we do hope someone will be able to help the Market continue to provide local wholesome products and a meeting place for friends. The market would normally re-start after a Christmas break in the second week of January. Meanwhile, we welcome new customers to the market every Friday 9.30am – 11am at the Lower Old School Room. We will have our Christmas Special market with Christmas cakes, puddings, mince pies on Friday 13<sup>th</sup> December.

# School News

It has been a very busy start to the academic year at Chew Stoke Church School.

Earlier this term Mr Hewett (Headteacher), Miss Hennessy and the PE Council attended the [Team Modeshift](#) Stars School of the Region event. We can proudly announce that, for the fourth year running, Chew Stoke Church School has won both the Local Authority and the South West Region School of the Year Awards for our commitment to promoting sustainable and active travel, especially for journeys to and from school. There are over 1,000 schools nationally who hold accreditations with Modeshift Stars and only a handful are put forward for these awards. It is an amazing achievement! We will now

progress to the National Awards which will take place in London in March.

The school had a wonderful start to the academic year with a Harvest Celebration at St Andrews Church. Led by the Reverend Ian and the Reverend Fran, our students took turns sharing readings, poems, and songs, creating a truly special service. We were delighted by the generous harvest gifts brought in by the children. These have been donated to the Community of the Sisters Church in Bristol, which

provides vital support to families and homeless charities in the area.

## **Chew Valley Community Transport Scheme Urgently Needs More Volunteers!**

**If you, or anyone that you know, might be interested in volunteering for CVCT, either as a driver or by joining our team of coordinators, please contact us to ask for more information:**

**CVCT phone number: 01275 333430 – or email: [cvct.coordinator@gmail.com](mailto:cvct.coordinator@gmail.com)**

**Speeding in the village** At the meeting we concluded that there are 3 main speeding issues: chronic speeding; acute issues of very high speeds; and incidents of the anti-social behaviour such as bikes using the road at Herons Green as a race track and consequent danger and noise disturbance. The latter issue has been reported repeatedly to Avon & Somerset (A&S) Police, and to the local MP Dan Norris.

CSPC discussed the possible options for autospeedwatch cameras/other solutions. CSPC agreed that it was necessary to acquire data from A&S Police to be able to evidence the problem. CSPC are also supportive of a pavement from Stoke Hill to Woodford Lodge, this has been considered before (last time in 2022). Actions agreed:

To Set up a working group to move proposals forward – including one member of CSPC  
To liaise with Highways at B&NES at an early opportunity, they are responsible for roads and hold the budget.

The working group to consider costings and funding opportunities (crowd funding, increasing precept, grants (eg Bristol Airport due to increase in traffic because of airport expansion).

The working group to devise a method of recording incidents and to ensure these are reported to A&S Police.

To review the Community Speedwatch group being reinstated in the village.

To work with Councillor Harding to acquire speeding data, and consider grant from Ward Councillor Empowerment Fund for technology if that will help.

**Bristol Road 'crossing' proposal** – CSPC reviewed the latest proposals from B&NES Highways team regarding a modified 'crossing' on Bristol Road. **Residents are encouraged to contact CSPC if they have any questions or concerns about the proposals which may be confirmed soon (details are available from the Clerk if needed).** Work to be completed this financial year. CSPC noted that a crossing had been requested by residents and supported by the Ward Councillor on their behalf. However, it is not possible to have any type of crossing or raised road surface without street lights and CSPC also received feedback that villagers do not want lighting in the village as it interferes with dark sky policy and impacts our rural setting. The latest proposal from B&NES includes a buff-coloured area of road at the Quarry Hay junction. The corners of Quarry Hay will be built out slightly to make the crossing distance across Bristol Road shorter. Bollards to be installed along the Quarry Hay side of Bristol Road from The Stoke Inn to Rectory Field to prevent pavement parking as it impedes the sight lines for anyone trying to cross the road. B&NES have confirmed it is not possible to have a crossing at the current crossing point of choice (Bilbie Road footpath & shop - to Quarry Hay & Primary School) because it would be too close to the narrow section of road. Finally, the original proposed location by B&NES south of Quarry Hay would have meant it would not be used as it was too far South compared to the natural crossing point to / from the school and the shop by Quarry Hay.

**Ward Councillors report:** NPPF and Local Plan - BANES proposed extra allocation of housing being opposed by Council. 80% of extra housing needed in Bath is affordable homes - therefore needs funding. **PTO Continued next page**

**Parish Council Report Continued** UNESCO world heritage status of Bath means most of proposed new homes would need to be built in NE Somerset. Consultation Mendip AONB / National Landscape Management Plan: <https://mendiphills-nl.org.uk/caring/management-plan/>

No increase in community Beat Officers likely for minimum of 2 years- funding needs to be put in place in April, then bid for, then staff recruited and trained.

A368 and Active Travel Masterplan consultations- reviewing all responses. Not yet published. Next meeting **Thursday 7<sup>th</sup> November** at 7.30pm in the Village Hall, Chew Stoke.

Bullied at school and ignored and abused at home, Billy Caspar (David Bradley), a 15 year old working-class Yorkshire boy, tames and trains his pet kestrel falcon who he names Kes. A special screening of a timeless classic.

The **Curry lunch** will be held on **Friday 15th November** at our usual venue at Ubley Parish Hall, BS40 8PN. You will be treated to a superb curry lunch and sumptuous desserts, served in a convivial atmosphere. We will have a cash bar and a raffle.

Why not make up a party of friends or family and enjoy our event. It is always a very popular occasion, and early booking is strongly advised to avoid disappointment. The ticket price is £15 pp. (unchanged from 2023) Booking can be made by contacting: **email [rnlichewvalley@gmail.com](mailto:rnlichewvalley@gmail.com) or phone 01275 331074.** The RNLi exists and operates through the goodwill of volunteers and supporters and we in the Chew Valley Branch are desperately short of two or three committee members to help run events. The work is not onerous as we meet generally just a few times a year. If you feel you could spare just a small amount of time helping as a committee member, please make contact through the above to find out more. Thank you.

A party atmosphere prevailed at the Group Meeting held on 2<sup>nd</sup> October. Mike Dilger entertained us royally with stories of his love of birds and how he came to be a Wildlife presenter setting a jovial atmosphere for the evening. Members enjoyed a ploughman`s supper and it was a shame to have to bring conversations to a close as time ran out.

Group Members joined enthusiastically in singing Jerusalem and the National Anthem. The Wildlife photograph competition was won by Pat Peel. (See photo )

This was followed by our usual monthly meeting – a special occasion again as friends and family were invited to enjoy an evening with auctioneer and valuer Chris Yeo often seen on Antiques Road Show. He, again, was very entertaining, explaining how the programme was run and how he became part of it. A few items were valued - a trinket box, an Ebony figurehead, a mystery object (which remained a mystery !) and a ceramic pottery cat promoting the Suffragettes which was valued at £150! As many people know, there is no sale for “brown furniture” any more, the current trend being minimalist.

Our next meeting is our Annual Meeting on Wed. November 20<sup>th</sup>. We are hoping to get another volunteer by then to help with the Treasurer`s role. The WI cannot function without a treasurer. Please consider helping out as we have an excellent programme arranged for next year and a good membership.

Bristol's Lost City "An extraordinary venture" by Clive Burlton

The Bristol International Exhibition of 1914 was part trade fair, part theme park. Sited near the Cumberland Basin in Bristol, it was an extraordinary venture that few people knew much about until Clive Burlton published his book 'Bristol's Lost City' in 2014. The exhibition site was transformed by the War Office at the start of the First World War for use as a barracks for volunteer soldiers. Beautifully illustrated, with unique film footage and a song thrown in for good measure, this is a must see lecture. West Harptree Memorial Hall. BS40 6EG

Visitors are very welcome to this event at £3 a head. Book in advance but pay on the night. To book, email: [info@harptreeshistorysociety.org](mailto:info@harptreeshistorysociety.org) Doors open at 7.15pm for 7.30pm.

### Felling

**FELLING:** Dangerous or damaged tree? We can help. Many tree pruning and removal jobs are very unsafe for the average homeowner to do himself or herself. As professional Certified Arborists we have the necessary skills, equipment and fully insured and licensed to get the job done correctly and safely.

**STUMP REMOVAL:** Removed a tree in the past? Can't get rid of that pesky old tree stump? We can completely remove your old tree stumps using powerful machinery. Great if you want to free up some valuable garden space or just want to plant something new!

### Reductions

We carry out our works to [British Standards 3998](#), so you can be sure we won't harm your tree... just give it a haircut!

### Low hanging branches
