From the Rector

Dear Friends,

I often hear people commenting on how **early** the Christmas season seems to begin each year. As soon as the long nights close in, decorations and illuminations appear in our homes, in streets and in shops to lend some cheer to those gloomy evenings. I am sure many of you will remember when Christmas festivities began on Christmas Eve—only then was a tree decorated and carols sung for the first time!

It is less often that we hear people commenting on how soon Christmas seems to **end**. The famous carol reminds us that there are Twelve Days of Christmas, beginning on Christmas Day and ending on 'Twelfth Night', 5th January, when decorations are packed away for another year. While many of us keep this tradition, the commercial world around us seems keen to move us on the next 'festival' as soon as Boxing Day arrives. They want our attention to turn to booking summer holidays and buying Valentines gifts and Easter chocolate as soon as possible.

The Christian Year does things very differently. In fact, 'Christmastide' is a period of 40 days which extends from Christmas Day to the feast of Candlemas on 2nd February. This long period of celebration reminds us that Christ's coming into the world at Christmas was not a one-off event, but rather the beginning of a new way of life. It was the first breaking of a light shining in the dark ness of this world—not a momentary flash of light, but a light that shines still today. Christmas was the

beginning of a season of joy and wonder, which even today invites us into the story, to discover more about the life of the child in the manger.

Amid this long season of Christmas, we think of those who were among the first to discover the joy and wonder of Jesus in the manger. On the Epiphany, 6th January, we remember the Magi—mysterious kings, or Wisemen, who travelled to Bethlehem from Persia. Tradition (and another famous carol!) tells us that there were three kings. There were certainly three gifts—gold, frankincense and myrrh—but we don't know how many kings came to visit Jesus and the Holy Family in Bethlehem.

What we do know is their visit was full of rich significance. Their gift of gold honoured a King who was unlike any earthly king. Frankincense was a symbol of his deity. Myrrh was an ominous symbol of Christ's death.

Epiphany is a time when we should ask ourselves: what we can bring to Christ to honour him? In her famous poem, 'In the bleak midwinter' Christina Rossetti poem asks:

What can I give him? Poor as I am.
If I were a shepherd, I would bring a lamb.
If I were a wise man I would do my part.
Yet what can I give him?
Give my heart.

May these words inspire you to honour Jesus with your hearts in the darkness of this midwinter, and may the joy and wonder of the birth of Jesus remain with you through this season of Christmastide.

I wish you God's richest blessing for a Happy and Peaceful New Year.

Yours in Christ,

Tan K. Mills +

The Light of a Star to guide us

What will 2022 bring I wonder? Two years ago Covid was just a vague murmur coming from the East. How could we have known it would have such an impact or for so long?

How might this year be different? Well, there is much to look forward to. We expect to have a new diocesan bishop joining us. We will be celebrating 70 years of the Queen's reign. The World Cup is on... and we have a chance! And then there are all the other excitements of anniversaries, milestones and hopes and dreams we all have.

As we begin this new year, my mind turns to those Eastern travellers long ago who saw a star in the sky, set out on an uncharted journey which took maybe up to two years, and eventually found a King. Not the sort of king expected but One who opened up new horizons for the whole world. One who offers us love, forgiveness and a way back to God.

At this time when we are asking questions that search for deeper meaning, this seems a story which resonates. What sort of journey will you take this year? At a recent clergy pre-Advent retreat we were reminded that it is not so much us walking with God but rather God walking with us. So, no matter what twists and turns the road takes, or even if we slip from following in God's Way, He will never give up on us and will never let us walk alone.

This year, as last, we shall be seeking to dwell on some words from scripture and allow them to permeate into our being. The following verses from that passage, seem to offer us the light of a star to guide us as we navigate our journey in the year to come.

'Rejoice in the Lord always; again I will say, Rejoice. Let your gentleness be known to everyone. The Lord is near. Do not worry about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.' Philippians 4: 4-7

May you know God's presence and grace as He walks with you into this New Year!

With love

+Ruth

Barnabas Fund are a Christian charity that have recently started 'Food Gives'

a practical initiative to feed people in need worldwide, by shipping boxes of certain food items that we can commit to fill on a monthly basis, drop off at a local DHL agent and these get sent to a warehouse in Swindon I understand

Although money donations are a quicker way of helping, due to the rising cost of food worldwide it can be hard sourcing it in some countries.

Please see their website for further information: **barnabasfund.org**

I have just started doing this and, if anyone wants to get involved filling boxes, I have some boxes or you can order some yourselves

I am happy to drop them off in Backwell if you would like to get involved and pop boxes up to me at Red House Farm

Winford C of E Primary School

This week Winford Primary school has been bursting with festive things to do, all in the run up to the fabulous nativities each class has been performing.

They have all been a tremendous success, ranging from 'Shining Stars' to 'Mariah Hairy' (Winford's answer to Mariah Carey!) to singing donkeys!

Moving down to our very youngest four year olds in school, Miss Bennett gave us a message about her Reception class Nativity: 'Well done to all the reception children who performed on stage for the very first time! They all did a great job singing, acting and learning lines, we were very proud of them!'

And so were all the parents who enjoyed every moment of the brilliant shows this week. Well done Winford Primary school!

Winford Coffee Morning.

The next coffee morning will be on **Tuesday 11 January, 2022, at The Prince of Waterloo from 11.00 am.** Do come along to meet old friends and make new ones.

This is a regular event held on 2nd Tuesday of the month.

Contact Lyndsay Newman, Village Agent 07967 345559.

Winford and Felton Craft Group

We're back!

The Craft Group meets on the **1st and 3rd Fridays** of the month, in **Winford Village Hall**, from **1.00 – 4.00 pm.**

We are quite a small group and we would love to have some new members. We bring whatever craft we are working on and we help each other if we have a problem.

Please come and join us.

For more information please tel: **Elizabeth Parker 472149/Shelagh Sutton 472641**

Felton & Winford Tuesday Group

Last month we held our Christmas party at the village hall. It was very well attended and, as always, Maggie did us proud, the tables looked nice and festive, and the meal was first class.

Our first meeting of the year will be on the **11 January** (Covid permitting...). **It will be a recipe evening**, the idea being you bring along your favourite recipe with samples to try.

We meet at the village hall for **7.45 pm start.** All are welcome.

Wishing you all a Happy and Healthy New Year.

Felton/Regil/Winford Community Transport

Sorry, but the trips for January to March 2022 have not yet been scheduled because I am not sure how many to run.

Most of the trips last quarter were not well taken up and I don't know if it is the weather, Covid or just not enough people interested. As soon as it is decided then regular users will get a letter giving all the details.

Jan Longden 472440

Winford Village Hall

We hope that you are all keeping well and that you have had a good time over Christmas despite Covid!

We also hope that you have had an opportunity to see our new Christmas decorations.

The village hall had a lot of bookings coming up to Christmas with the usual regular bookings; Pilates, Yoga, Table Tennis, Latin dance, Drama and Art - all of these weekly in term time – together with twice a month craft sessions and once a month Tea and Tech. We have also had a lot of bookings for parties and private ballroom dancing lessons too.

The **Tea and Tech sessions** will now, in future, be held **every third Tuesday each month, from 2.00 – 4.00 pm** and you are welcome to come along with any phone, tablet or laptop to have help, or just come for a chat, cake and a hot drink.

Next year we hope to be able to run a dance and maybe another Bingo session, both of these early in the year. We do not have dates for these as yet but, after Christmas, please look on the Facebook page and on our lovely new website for more information. The web address is **www.winfordvillagehall.org** This is also now the way to make bookings.

Thank you to everyone who supports us and remember we could really do with a bit of help to run some of the events.

Happy New Year from all the committee

Update on Burns Night Celebration, Friday 21 January 2022

At the time of this article going to print this event is still going ahead. Obviously, if the government bring further restrictions into place because of Covid, we will adhere to the regulations. As an extra precaution, if possible we would ask you to do a lateral flow test before you come.

Many thanks to local singer Dani West who started the December celebrations and the hall made a profit of £189.50.

100 club winner for December was Mr P Humphries Number 222, well done.

Unfortunately the bottom barrier at the hall was vandalised late morning on Monday 29 November. If anybody saw anything, please report it to a member of the hall committee.

Police Advice for anyone who purchased or received an Escooter for Christmas

Motorised scooters fall within the definition of a motor vehicle and are covered by the same laws and regulations covering all motor vehicles.

EScooters can only be used under private ownership use on private land only, to which the public does not have access without legal restriction, (the permission of the landowner must be gained).

Hired E scooters have a government exemption, on a trial basis. A provisional license is required and insurance provided by the hire company. They are permitted on cycle lanes and the highway, but **not** the motorway network. Scooters are provided and meet the required specification.

Warning: the use of S59 of the Police Reform Act 2002 will be considered and also seizure of the scooter where its antisocial use continues following a warning. Remember, merely using a machine on a footpath could reasonably be construed as 'annoyance', so could easily fall within the act. Prosecution with use of the road traffic act can be used, such as failing to provide a certificate of insurance and even drink/drive laws can be enforced.

Winter Security Advice

Camera Doorbell – Cheaper alternative to CCTV. App can link to your mobile phone for easy access.

Security Lighting – Usually best used alongside CCTV or Ring Doorbells. It has been believed that those wanting to break into dwellings or non-dwellings prefer to do so in the dark.

CCTV – Can be slightly more expensive but can greatly deter suspects from even attempting properties with clear CCTV running.

Alarm – Home alarms can be a great benefit to deter and scare off possible burglars and also alert the occupants of a disturbance.

Garage Defender - The padlock is enclosed inside the body of the unit making it less accessible for would be thieves to damage. The T-bar unit locks onto a solid steel base with the supplied padlock to secure your garage and provide a highly visible deterrent to intruders. Within the Garage – Use heavy duty locks. If your garage has windows move valuable products out of direct view, don't advertise your items.

Bike Security – Bicycles are commonly the item of choice taken, locking your bicycle to a wall mounted bike rack can drastically decrease the likelihood of that bike being taken. Your local Beat team can offer Bike Marking. Get in touch with your local officer or look out for the next Bike Marketing Event in your area.

Neighbourhood Watch There have been many fantastic COVID community groups made in our area and as COVID restrictions have reduced we are hoping that they could keep running as a Neighbourhood Watch program. Welcome Sgt Lee 2781

As one Sgt leaves another comes in to take his place. Our new Sgt Lee Kerslake has now joined the Nailsea Neighbourhood Team and I am sure you will all have the pleasure of meeting him in the not too distant future but until then please join us in welcoming him to the team. Lee has been with Avon and Somerset Police for many years and has worked in various roles so we are very excited to have him join us.

Chew Valley Snails:

Friendly social running at the speed of chat.

Would you like to improve both your physical health and mental wellbeing while having fun, meeting new friends and exploring our beautiful local countryside? If so, Chew Valley Snails could be just right for you: it is an inclusive, friendly, non-judgmental local running club open to beginners and experienced, or former, runners alike. Even if you haven't ever considered running before, learning to run in a non-competitive, "speed is not required" environment can be really enjoyable. All our trained Run Leaders are locally based, and the whole club is extremely friendly and supportive.

In 2022 the Snails again hope to be able to offer Couch to 5k courses, ideal for complete beginners, and also courses aimed at members stepping up from 5k to 10k.

Our regular weekly Social Runs are welcoming, chatty, fun, and vary in length, location, and start time, so there is usually something for everyone. On all runs faster runners are expected to loop back so no one is ever left behind. All Social Runs are free to members: membership is currently **£10.00 per annum**.

Even though all our running takes place outside in our stunning countryside everything next year will, of course, be dependent on whatever the Covid situation determines.

Further information can be found at <https://groups.runtogether.co.uk/ChewValleySnails>

North Somerset Recycling Collections during Severe Weather

- Collections may be delayed during severe weather but you should still put out your refuse and recycling on your collection day if it is safe to do so.
- You do not need to report a missed collection unless it is only your property that has been missed.

- If your food waste and recycling has not been collected by 7pm, take them back in and put them back out again on your next scheduled collection day.
- If your refuse collection is missed you can leave your black wheelie bin out in a safe place and the crews will come to collect it as soon as they can.
- During severe weather we will collect extra bags of refuse that you have due to missed collections.
- We'll post updates about how our services, including recycling and waste collections, are affected on our emergency closures and information pages.

Garden Waste over the Christmas period

The garden waste collection service does not operate for a four-week period around Christmas. This happens every year to account for the extra Christmas waste. This year there are no garden waste collections between 18 December - 16 January. **Garden waste collections will resume on Monday 17 January 2022.**

Check your collection dates: <https://forms.n-somerset.gov.uk/Waste/CollectionSchedule>

Crews are doing their best to get to all properties on their scheduled collection days. However, they are still under pressure and may need to catch up on subsequent days.

If your garden waste is not collected on your scheduled day, please take the following steps: Check the missed collection report as the crew may already be aware that you have been missed. If your road is listed, you don't need to take any action and a crew will be back to collect your bin. You can see the revised collection date on the report. If your road is not listed, log a missed collection within 24 hours of your scheduled collection day.

Christmas trees can be recycled at your nearest recycling centre.

Winford Parish Council Meeting - Monday 15 November 2021

Open Forum: A planning agent spoke for application 21/P/2481/OUT: Birds Farm, Kingdown Road Winford: the application was discussed at agenda item 5. A resident raised his concerns regarding the impact of the proposed Bristol Clean Air Zone on North Somerset residents; it was agreed to discuss this at the December meeting.

Highways and footpaths: It was agreed to complain to the Highways Officer that some of the stones on the verge of Kingdown Road had now rolled into the carriageway. North Somerset Council (NSC) had replied to the Parish Council's request to reopen the right of way LA7/3/10, raising a number of issues. It was agreed to respond that the Parish Council were strongly desirous to see this footpath reopened, that the issues could have been addressed earlier during the planning process, and asking to be kept fully informed regarding any action the landowner wished to take regarding a formal Public Path Diversion Order.

A plan of the low fence it was proposed to install on the boundary of the public open space adjacent to the compost site, showing the line of the proposed footpath diversion, would be sent to the householder and property owner. It was agreed to respond to the householder's

alternative suggestion for the footpath diversion, pointing out that this would not prevent the depositing of green waste outside opening hours.

Enforcements: It was agreed that the excessive overnight lighting at the Cattle Market Business Park would be raised with the enforcements team again.

Felton Common: It was agreed to look at ways to prevent illegal driving across the Common. The bin emptying schedule would be revisited at the December meeting and in the meantime Councillors would monitor whether the bins were filling up between the current twice weekly visits.

Play Areas: Touchwood had repaired the zipwire and replaced the seat. They had also replaced some of the deck and cladding boards free of charge whilst at the site. It was agreed to check that the seat now had sufficient clearance from the ground/platform.

Compost site: NSC had said that the outstanding claim would be paid early that week, and that the rate of payment for future claims would soon be established. A good amount of green waste had been removed over the past few weeks, giving a sound basis for the calculation of cost per tonne. There was still no clarity on how the Parish Council would be reimbursed for interim activity whilst a new methodology was established. The future of the compost site was dependant on a satisfactory outcome regarding back, interim and future payments.

Airport parking/airport: Airport parking had started to become a problem again, particularly on Felton Common. It was agreed to arrange another meeting with the Airport and NSC to discuss possible solutions. This would include the need for better signage to the free Waiting Zone at the Airport. It was suggested that the Bristol Airport Transport Forum on 22 November would be a good opportunity to discuss the impact of the proposed Bristol Clean Air Zone.

Any other urgent business: It was noted that the Parish Council would not be responsible for the “Winford history” signs that Councillor Hugh Gregor was proposing to erect at the Old Militia Barracks in Church Road, and the Old Forge in the High Street. The rough sleeper still appeared to be using the bus shelter on Felton Street, and it was agreed to ask NSC for an update.

Next Meeting: Monday 17 January, 2022, 7.30 pm, Felton Village Hall or Zoom

All meetings of the Parish Council are public meetings and you are very welcome to attend. If you intend to do this, it would be very helpful if you would kindly contact the clerk prior to the meeting.
