From the Rector

Dear Friends,

In 1939, King George VI included in his Christmas Broadcast to the nation words from a little-known poem by Minnie Louise Haskins, entitled 'God knows'. It was Queen Elizabeth (then Queen Consort, later the Queen Mother) who drew her husband's attention to this poignant verse as Europe once again plunged into the darkness and despair of a Second World War:

And I said to the man who stood at the gate of the year:
"Give me a light that I may tread safely into the unknown"
And he replied:
"Go out into the darkness and put your hand into the Hand of God.
That shall be to you better than light and safer than a known way."
So I went forth, and finding the Hand of God, trod gladly into the night.
And He led me towards the hills and the breaking of day in the lone East.

Since then, these words have become famous, bringing comfort to many—especially those facing uncertainty and fear. In this year when we celebrate the Platinum Jubilee of Her Majesty Queen Elizabeth II and our thoughts turn to the many changes which have happened over the course of her reign—in our own lives and in the life of our nation and our world— they might speak to us afresh of the assurance that whatever we face in life, we do not face it alone.

The events organised locally to celebrate the Jubilee have reminded us that we are part of a community; more than that, the Bible assures us that we are a community of faith—brothers and sisters dearly loved by God.

These famous words are not the end of the poem. It continues:

So heart be still:
What need our little life
Our human life to know,
If God hath comprehension?
In all the dizzy strife
Of things both high and low,
God hideth His intention.

God knows. His will
Is best. The stretch of years
Which wind ahead, so dim
To our imperfect vision,
Are clear to God. Our fears
Are premature; In Him,
All time hath full provision.

Then rest: until
God moves to lift the veil
From our impatient eyes,
When, as the sweeter features
Of Life's stern face we hail,
Fair beyond all surmise
God's thought around His creatures
Our mind shall fill.

In this month of Jubilee festivities, may you know the assurance of God's guiding light in your life. Whether you feel like celebrating or not, may you know of the protection and love of God who never changes and never fails.

It is this steadfast faith which has guided Her Majesty though her long and happy reign.

May her service to us and our nation under God inspire us to hold that same Christ-light for others in the years ahead.

Yours, in Christ,

Tan K. Mills +

New Bishop Announced

On 28 April 2022 Downing Street announced that the Rt Revd Michael Beasley will be the next Bishop of Bath and Wells. Currently the Bishop of Hertford, prior to taking a fulltime role with the church, Bishop Michael was an epidemiologist, a background he was called on to use during the pandemic as a member of the Church of England's Covid task force. He is already familiar with Somerset. His wife Lizzie is from a local farming family and before his interview for the role they both undertook a 60 mile walk around the county.

Guided by Faith

by Michael Beasley, Bishop Elect, Diocese of Bath and Wells

Visits undertaken, trees planted, ambassadors welcomed, honours awarded, miles travelled! Just a fraction of what our Queen has done. When, on her 21st birthday, Elizabeth II pledged herself to our service her whole life long, she could scarce have imagined the commitment she was making.

What has enabled all the achievement that we celebrate in this year of the Platinum Jubilee? Her reign has seen joy and sorrow, triumphs and setbacks. The Queen gave an insight into what has seen her though in 2002 when she said:

"I know just how much I rely on my faith to guide me through the good times and the bad. Each day is a new beginning. I know that the only way to live my life is to try to do what is right, to take the long view, to give of my best in all that the day brings, and to put my trust in God ... I draw strength from the message of hope in the Christian gospel."

I'm inspired to be coming to Bath and Wells during this Platinum year that sees us celebrate the Queen's steadfast service that flows from her Christian faith. Just as the young Elizabeth II couldn't know what lay ahead as she looked to the future, neither can we. As we emerge from COVID, see war in Ukraine and confront a cost of living crisis, we live in challenging times. To face our days we'll need all the faith and experience, creativity and skills of everyone in Bath and Wells. Above all we have the hope of the Christian Gospel that has stood our Queen in such good stead throughout her long life. It's the faith I'm looking forward to serving and celebrating with you as together we live and tell the story of Jesus.

Every blessing
Bishop Michael

News from Winford Village Hall (written on 13 May 2022)

The Tea and Tech Sessions are being held monthly as a social event and for people to bring along their mobile phones, iPads, kindles, lap tops etc. to be helped to use them. You can just come along for a hot drink, cake and a chat if you like. We have decided to have a break for June, July and August but it will start again in September. We hold the sessions on the 3rd Tuesday each month from 2.00 – 4.00 pm. It is a drop in session so you don't need to get there at 2.00 pm promptly!

Remember **No Sessions In June, July And August.**

There will be some social events after the Jubilee celebrations, now that Covid is hopefully becoming less of a problem. We are hoping to run a dance and possibly another Bingo session and we now have a better amplifier so you will be able to hear the caller! If anyone would like to run a quiz we are happy to support you.

We will be holding our **AGM on Wednesday July 13th at 7.30 pm** in the village hall. We will provide tea, coffee and biscuits. Please come along and support us.

Remember that if you want to see what is going on in the hall, or to make a booking, you can look on our website at www.winfordvillagehall.org

A very good turnout for last month's excellent talk by Astrid Domingo Molyneux. What a courageous lady, cycling 20,000 miles around the world on her bicycle

This month is our supper party, to be held at the home of **Viv Etheridge, 6 Upper Town Lane**. Plenty of parking. If you could bring a plate of sweet or savoury, along with your own plate, cutlery, glass and maybe a folding chair.

We will start at the earlier time of **7.00 pm, on 7 June**. I will be taking names and payment of £6.50 (if possible) for our outing to Oakham Treasures on 19 July at 2.00 pm.

Hoping for a warm dry evening on the 7th. See you there **Anne Cantwell**

Felton Flower Show Society

Thanks to everyone who turned up on the village green on 7 May for our plant sale. It was a great success and a sellout within the first hour!

Wednesday 29 June, 7.30 pm at Felton Village Hall

Please join us for a demonstration and chance to get hands on experience with Janet Warden entitled "Summer Time is Here".

Janet has set out what she intends to do with details of what to bring along, see below. Here's your chance to learn the art of flower arranging and find, even if you have never tried before, that you can produce a very professional looking display at a fraction of flower shop prices. Why not give it a go?

The evening, which is always good fun, costs £3.50 to include coffee, tea and biscuits.

Hope to see you there.

Felton Village Hall – Vacancy for a Letting Secretary

This is a voluntary position, part of the management committee of the Hall, which meets four times per year. The role of letting secretary is to receive calls or emails and confirm dates and times from enquirers, and the cost involved in hiring the Hall. There is a list of charges associated with the hire of the Hall that sometimes needs to be adapted to meet the hirer's requirements. This information is then passed to specific members of the management committee for invoicing, bar commitment and heating to be put in place. What have we been doing?

Drain and manhole cover thefts.

Since 1/4/2022 there have been 47 thefts of Gulley drainage covers in the Avon and Somerset area. A witness described seeing 2 males lifting covers at approx. 2.00 am on one occasion and timings of offences would suggest that there are 2 teams working at the same time some distance apart. Winford and Wraxall have had reports of these thefts along with Nailsea and Wrington so these suspects are active on our patch. We are working with our response teams to locate the individuals responsible.

Felton Street Criminal Damage

The Nailsea NPT have been working hard to deal with the ongoing issues with vehicles being damaged in Felton with tyres being slashed as the most common incidents. The offences have totalled approximately £3,500 worth of damage. Our neighbourhood team has been able to charge an individual responsible for these damages.

The Chew Stoke Lunch Club

for our senior friends across the valley, has now been back in action for a while. We would welcome anyone who would like to join us. It is held on the **third Thursday of the month at 12.30 for 1.00 pm at Chew Stoke Methodist Chapel.** We serve a two course meal for the current price of £6.00. We also have a coach trip to Sidmouth planned for July. Do please come along or spread the word to anyone who you think may benefit. **Please ring Maggie Patch on 01275 314627 to book a place**

Chew Valley Flower Club

Our next meeting, on **4 June** will be a demonstration, presented by Brigitte Manson. Her title is "Sunshine and Showers". We look forward to that, whatever the weather.

The next practice class will be on **20 June.** This session will be tutored by our chairman, Coral Gardiner, and is an imposed class. This means we must use, in our own way, only the materials provided for us. This always proves to be both challenging and enjoyable.

Our club has been invited to take part in a flower festival at Norton Malreward Church on 29 July, so a date for your diary, and something to look forward to. This is our Emerald Anniversary year, and a celebratory lunch has been planned in August, so some exciting times ahead for Chew Valley club.

Chew Valley Flower Club meets twice monthly, at **7.30 pm, in Compton Martin Village Hall**, and you are most welcome to come to our demonstrations as a visitor and maybe even join our club, **Joyce Burton (01761 462560)**

Barrow Gurney Cricket Club

We enjoyed a perfect start to the season with 5 wins in 5 games in the pre-season friendlies. The First XI then carried this form into the league season with convincing win against Pak Bristolians 2s. The visitors were bowled out for only 103 with Frank Forge leading the way with 3 for 31. There were two wickets apiece for Mark Fisher, Jonny Sykes and Matt Owen who kept the opposition batting line up under pressure. Barrow's keeper, Bernie Forge, took 4 catches behind the stumps. In reply, debutant Jason Cryans (43) top scored and with Mark Brown (20) and Bernie Forge (23) made sure of a 7 wicket win.

Barrow seconds bounced back from a first week loss at Midsomer Norton, when they played Bradley Stoke 4ths who amassed 237-6 (Adam Brace 3/43). Barrow then limped to 88-6 after only Mark Gracey (30) got going until an incredible 140 run partnership between Adam Brace (25) and Nick Heal, with Nick playing the innings of his life. In 77 balls of clean-hitting with 7 sixes and 17 fours, Nick's 123 not out changed the game entirely and Barrow ran out winners by 3 wickets.

Training is on Tuesday evenings 6.00 pm to dusk (weather permitting) at Hobbs Lane, new members welcome. For more information contact **Mark Forge on 07884 122301** or email **barrowgurneycricket@gmail.com** or see our website: <https://barrowgurneycc.co.uk>

Great Weston Ride Sunday 17 July 2022

The route goes through Long Ashton, Failand, Barrow Gurney, Winford, Chew Stoke, Compton Martin, Ubley, Blagdon, Cheddar, Rodney Stoke, Wedmore, East Huntspill, Burnham, Uphill and Weston so, as you can see, the event passes either through or near your local community, and this year's Ride is scheduled to take place on **Sunday 17 July 2022**.

Obviously we'd like to try to minimise any inconvenience that the Ride may cause by alerting as many people as possible in advance, and hopefully some people might also want to support - or even take part in – this major West Country challenge event. And with the majority of participants coming from the Bristol and Somerset area it's likely anyway that there will be people from your area already taking part.

So we'd like to ask if you could please spread the word as widely as possible within your community so that as many people as possible are aware that the event will be happening on Sunday 17 July, and we'd be extremely grateful for any help that you can provide in this regard. Our aim is to try to ensure that it doesn't come as a surprise to anyone on the day, and advance notice should enable people to plan their own activities accordingly

You might also like to know that, on the fundraising front, around **£440,000** has now been raised by participants for charities and good causes since the Ride began, and at community level we're continuing to promote and provide financial support for the Mendip Hills Fund – we think it's a fantastic initiative for local communities, and it's a great way for us to say 'thank you' and put something back directly into the area.

Thank you in advance for your cooperation, and hopefully all the local communities along the route will once again support and encourage the riders and help to make it another enjoyable and safe day for all concerned. If you have any queries, or if you need any further information, please don't hesitate to contact me by email or by phone (**07956 858851**).

Winford Parish Council Meeting - Monday 11 April 2022

Highways and footpaths: Highways had said that the potholes on Lower Strode would not have an emergency repair because the jet patcher was expected shortly. It was agreed to report the disrepair of Hen Lane between Kingdown and Five Gates, and to report potholes on Whitling Street (by the new culvert). A helpful response from North Somerset Council (NSC) had identified that the passing place on Currells Lane was an informal one created by vehicles using the verge. It was accepted that no action was possible to prevent cars being parked there. District Councillor Hugh Gregor agreed to investigate blocked drains on the High Street and Regil Lane, Winford. Bristol Water had agreed to cut back the hedges and repair the fencing at Rocks Lane reservoir, and the dumped green waste at the junction of Rocks Lane with Dial Lane had been cleared.

Planning matters: It was noted that an appeal had been lodged against refusal of permission in principle for the erection of between 2 and 5 dwellings at Land to South of Currells Lane, Currells Lane, Felton BS40 9XF (21/P/2246/PIP). NSC had found no evidence of unauthorised airport parking or illegal access creation at land off Chew Road.

Felton Common: A new date needed to be arranged with the contractor for the placing of stones alongside the track running from Church Trees to Church View. A litter pick of the Common would be arranged.

Play areas: The basket swing at Vee Lane would be removed pending repair of the cross bar. It was noted that funding for play areas might be available from NSC, and it was agreed to look at this to see whether a replacement for the basket swing would be eligible.

Compost site/allotments: Another load of green waste was programmed for removal. Despite chasing, there had been no further information from NSC regarding the reimbursement of costs or the application for diversion of the footpath running across the site. The pond relining work at Felton allotment conservation area was complete, but an invoice had yet to be submitted by the Conservation Volunteers.

Airport: A small number of non-airport members of the Consultative Committee had met to discuss more transparent ways of working. As a starting point, in future all papers would be copied to the parish councils. The Environmental Effects meeting had heard a presentation on ground contamination checks – there were no concerns with such contamination at present. The Airport currently had 28,000 tonnes of CO₂ to offset, and ideas for suitably large-scale local projects to help with this were welcome. The new noise contour map was now available and would be displayed for information at the Annual Parish Meeting in May.

Any other business: District Councillor Hugh Gregor announced his decision not to stand for re-election in May 2023, although he would continue in office until next year's election. He was thanked for his long service and great dedication towards the local community. Somerset Archives were seeking Jubilee parish portraits, giving a snapshot of the parishes that would be of value to future local historians. Councillor Gregor agreed to prepare something suitable for Winford Parish.
