

# How to Write Your Own Success Story

## CHECKLIST

I have reflected on *who* I am, what *goals* I want to achieve, and what *setbacks* I may have to overcome.

---

I have made the conscious decision to do whatever is necessary to overcome my setbacks and achieve my dreams.

---

I maintain a positive mindset because I am aware that my thoughts impact my reality.

---

My mind is focused on the route I need to take to achieve my goals.

---

My roadmap contains small, specific, measurable, and attainable goals.

---

Failures propel me further forward because I view them as opportunities to learn and grow.

---

I surround myself with a positive support network consisting of family, friends, and mentors who guide me along my path to success.

---

My vision of my ultimate goal is clear in my mind.
