THE G.R.I.N.D. ENTREPRENEUR NETWORK[®]

Global Relationships Igniting Networks and Development (The GRIND) Entrepreneur Network provides networking and development opportunities for entrepreneurs. We are committed to supporting, connecting, developing, and highlighting emerging, and established entrepreneurs with a focus on the "Edupreneur". In addition, The GRIND Entrepreneur Network Spotlight Podcast can be found on Spreaker and iTunes.

www.theGRINDeNetwork.com

Write the Book Now! is a live and pre-recorded Interview and Podcast Show featuring authors of fiction and non-fiction titles.

The Write the Book Now Aspiring Author's Weekend Retreat is an annual weekend dedicated to aspiring authors getting their story down on paper and ready to submit for publishing.

The weekend retreat takes place in the Washington, DC area each summer. Aspiring authors also participate in interview sessions about their upcoming release.

Topics discussed during the retreat include marketing and branding for your book, pre-order campaign, best-seller campaign, media exposure, and more.

Dr. Sharon Writes

Meet Author, Dr. Sharon H. Porter

Dr. Sharon features educators, authors, and entrepreneurs in book collaborations. Titles include Next In Line to Lead: The Voice of the Assistant Principal, Class of 2017 What's Next, and Women Who Lead Extraordinary Women With Extraordinary Achievements. Both Next In Line to Lead and Women Who Lead are a part of an upcoming series of the aforementioned titles.

She is the author of The Power of Networking How to Achieve Success With Business Networking, and has contributed to many other book collaborations.

Dr. Sharon Speaks

Podcaster, Host, Panelist, and Media Correspondent

www.drsharonspeaks.com

The I Am Dr. Sharon Show is a weekly live-in-studio interview show that features educators, authors, entrepreneurs, and community organizations to discuss compelling topics. The show creates a space where creativity, innovation, and success is celebrated. Our vision is to be the premiere interview platform to share an individual's expertise and knowledge. Our mission is to make a greater impact on society.
