**MCWRA Insurance Policy**

The MCWRA carries a \$2 million dollar liability insurance policy which protects the MCWRA as an association, and its members, if a reenactor injures a spectator. All events which request and are granted sanctioning as a "Maximum Effort", "Sanctioned" or "Benefit" are required to be covered by this insurance.

The event sponsors are required to remit to the MCWRA at the August board and scheduling meeting, a check for \$400, payable to the "MCWRA". This is a condition of being granted the sanctioning. While this does not even begin to cover the actual expense of providing the insurance, it helps. If an event decides that it also needs supplemental coverage, such for a Chamber of Commerce, Fair Board etc., an "also insured" rider is available for an additional \$50.
