

Construction Notice

Summerhill Station Easier Access Project - Utility Investigations

Date: Thursday October 22, 2020

**Content / timeline accurate at time of printing*

Project description and purpose:

As part of the design process for the TTC's Easier Access Program at Summerhill Station, crews will be in the area on **Thursday October 22** to carry out utility investigations in the laneway adjacent to Summerhill Station.

Work details and access:

- The test pits will be made in the laneway adjacent to Summerhill Station. **Access to the Indigo Parking lot will be blocked for the duration of this work.**
- The work involves the use of coring equipment and a hydro vacuum truck to create test pits.
- Work hours will be from 8 a.m. and 5 p.m.
- Pedestrian and vehicular traffic on Shaftesbury Avenue will be maintained during this work.
- Access to Summerhill Station will be maintained.

Noise and vibration

- Nearby residents and businesses can expect to hear increased noise caused by core drills and the hydro vacuum truck. Efforts will be made to keep noise levels to a minimum.

Thank you for your patience as we work to make Summerhill Station Accessible
