Evening Agenda:

Opening Remarks: Councillor Shelley Carrol

The Film:

Mufflers, honks and drilling: the perpetual soundscape of Toronto. Fed up with sleepless nights, a couple of activists take the fight to City Hall in the hopes of changing the outdated noise bylaws. *Do You Hear What I Hear* is an 8 minute short documentary Directed by Cat Mills and commissioned by Hot Docs as part of the [2023 Citizen Minutes program](#).

Panel Discussion:

Moderator: Ingrid Buday

During the discussion, Ingrid will be asking the audience to answer questions (via [mentimeter](#)) sure to inform panelists and attendees about noise in Toronto.

Panelists:

Councillor Lily Cheng: Ward 18 Willowdale and on the Toronto Police Services Board

Daniella Levy Pinto: Pedestrian Advocate with Walk Toronto

Tor Oiamo: Associate Professor in the Department of Geography and Environmental Studies at Toronto Metropolitan University

Question and Answer with the Audience

NoMoreNoise *Toronto!*

NoMoreNoiseToronto is a group of concerned residents coming together across Toronto to educate the public and city leaders about urban noise, its health effects, and how reduction in noise can lead to dynamic communities, healthy people and a better quality of life.
