Membership Reminder and Email Clean-up

E-TRANSFER NOW AVAILABLE

The Summerhill Residents Association is your voice with the City Councillor, City Hall, T-LAB or Ontario Land Tribunal. **A membership gives you the opportunity to make your opinions known and be supported on local issues.** Members vote at the annual general meeting for directors who meet frequently with planners, councillors and other staff at City Hall to voice your concerns about traffic, planning decisions, developments, heritage and public safety.

The Association needs your assistance by purchasing a membership, which allows the board to hire professional assistance to support local concerns such as appealing zoning decisions, maintaining and enhancing the website etc. There is a lot of recent activity that would suggest intervention and support may be required.

Membership is only \$25.00/ adult/household/year. You can fill out the online form at: <https://summerhillresidentsassociation.ca/membership> or print the form at:

<https://summerhillresidentsassociation.ca/membership>

and send an [eTransfer](#) to:

summerhillresidentsassociation@gmail.com.

In an effort to acknowledge existing members that have contributed, **an email address clean-up will be happening by mid-November to ensure only members are receiving communications moving forward.**

Thank you in advance for your support.

Our Next Newsletter Mid-November to cover:
