WHO: We are volunteers and residents in the Summerhill Area. The Summerhill Residents Association is your voice with our City Councillor, City Hall and TLAB. We strive to ensure that the area remains a safe, green, and non-commercial area for us all to live in.

WHAT: We aim to represent the interests of all residents on all projects that affect the area, such as development, green initiatives, preservation initiatives, any matter that is of concern to any of our residents. We attend city meetings and meet frequently with planners, councillors, and other staff at City Hall to voice your concerns about traffic, planning decisions, preservation, and public safety.

We are also members of FoNTRA (Federation of North Toronto Residents Association), an organization comprised of 30 residents' associations, who believe better development requires environmental balance, fiscal viability, infrastructure investment and social renewal.

WHEN: We meet monthly to share matters of concern or topics that need to be discussed and addressed and then plan strategies accordingly.

WHY: We all volunteer because we care about the area we live in, and we care about the people who live in it.

The Association can only do its job if local residents purchase memberships. Membership is \$25.00 per voting member. This money allows the board to hire professional assistance to support local concerns such as appealing zoning decisions, maintaining a website, print materials and improve the gardens and common areas around the neighbourhood.

We would love to hear from you.
