

2018 CSA Purchase Agreement Form

Castle Creek Family Farm is a fresh produce business located near Newcastle, NE. We are committed to growing natural, chemical-free produce. A Community Supported Agriculture (CSA) share is a great way to purchase fresh produce directly from your local farmer. Castle Creek takes pride in packing each CSA box with a wonderful variety of the best produce grown on our farm. Our CSA program lasts 20 weeks starting mid-June and ending late October. The price per share is \$420 (only \$21 per week!).

Farming is a risky business. In participating in our CSA program, you share in the rewards of a bountiful harvest, and likewise, you carry some of the risk in poor years. Environmental conditions could adversely impact the amount you receive in your share. We are committed to making each of our CSA customers satisfied year after year.

After filling out the information below, please sign and return this form with your check to the following mailing address to reserve your share. If you have any questions please call or email us.

Castle Creek Family Farm
