

Lavington Jindera
Little Athletics Centre Inc.

TIMING GATE HIRE

Lavington- Jindera Little Athletics Centre is one of three Little Athletics Centres in Albury/Wodonga. All three Centres are affiliated with Little Athletics Victoria (LAVIC). Lavington-Jindera Little Athletics Centre has been in operation for around 30 years now. We hold our competition nights on a Friday night at the Les O'Brien Athletics Precinct in Albury between October and March.

After years of fund-raising Lavington-Jindera Little Athletics Centre have been able to purchase two sets of timing gates and are now offering local schools and local community groups the ability to hire them for the use for their own athletics carnivals.

The electronic timing system removes the inaccuracies as each lane is individually timed and leaves no doubt about who finished in what place and precisely what time they ran.

OFFER

Lavington-Jindera Little Athletics Centre currently can have either a complete set of 10 lanes of gates set up on the front straight (traditional method) or one set of 8 lanes of gates on the front straight as well as 7 lanes of gates on the back straight. This will help the larger schools run their sprint races quicker.

We use an electronic starting system for the track events.

COST

- Hire of the 10 lane system \$170.00. This includes set up and pack up on the day, including PC & Printer hire (user to supply operator)
- Operator cost \$150.00 for the day
- Hire of an additional set of gates to the back straight \$100.00. This includes set up and pack up on the day, including PC & Printer hire (user to supply additional operator)
- Hire of additional operator \$150.00 for the day

Please feel free to call if you have any questions.
