The Angelstone Tournaments Venue is located near the tranquil village of Rockwood, Ontario, located less than a half hour's drive northwest of Toronto's Pearson International Airport. Our visitors from the United States can reach the venue through the Buffalo, Detroit and Watertown border crossings.

Since 2010, the venue has grown to become one of North America's premier Equestrian Show Jumping Tournament sites and is now home to the Caledon Dressage series. Each passing year brings new additions to the property and in 2013, we expanded our All Weather footing in multiple rings, featured in our Main Stadium, ESI Hunter ring, Astalos ring and 3 warm-up rings. A total of 5 competition rings that stand up to both rainstorms and drought conditions means that horses competing at the venue can be guaranteed perfect footing regardless of the seasonal weather.

Expanding our services this year will also mean the introduction of all new stabling for 1000 horses, a new campground for those competitors with trailers who prefer to live on-site during the Tournament.

Spectators and sponsors will appreciate the attention to detail prevalent throughout the venue's hospitality zones, including décor from award winning designers. The view of the action is second to none. There is no better venue to take in the action of the sport while surrounded by an elite level of personal service and amenities.

We look forward to the opportunity of welcoming you to the venue.
