Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to the humane treatment of horses in all activities under its jurisdiction.

All Persons shall be committed to:

- upholding the welfare of all horses, regardless of value, as a primary consideration in all activities;
- requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment;
- ensuring that all Equestrians including owners, trainers and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose;
- providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives; Page iv 2019 Rules of Equestrian Canada Section A
- continuing to support scientific studies on equine health and welfare;
- requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competitions; and
- actively promoting the development of and adherence to competition rules and regulations that protect the welfare of the horse.

The standard by which conduct or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition procedures would determine to be neither cruel, abusive, nor inhumane.

1. 2019 Equestrian Canada rules will apply. All exhibitors are responsible for knowing these rules (www.equestrian.ca)
2. Judge's and Steward's decisions are final.
3. All athletes, regardless of age or level of competition, must wear properly fitted and fastened safety approved protective headgear at all times when mounted at any EC-sanctioned Dressage competition at the event location.

Protective headgear must be certified under one of the following standards: ASTM (American Society for Testing Materials), or SEI (Safety Equipment Institute, Inc.); BSI/BS EN (British Standards Institution); EN (European Union Standards); AS/NZS (Australian/New Zealand Standards); or CE VG1 01.040 2014-12.

Note: At the tack check which follows the test, the steward may ask the rider to dismount so that the helmet may be inspected for the ASTM/SEI or BSI/BS EN label.

4. The Caledon Dressage Association, Angelstone Tournaments and all their volunteers and employees will not be held responsible for any loss, damage or injury incurred to person, animal, or personal property while on the show grounds.
5. The Caledon Dressage Association reserves the right to refuse entry to any person or horse and to govern all conditions of the show.

The Angelstone Tournaments Venue is located near the tranquil village of Rockwood, Ontario, located less than a half hour's drive northwest of Toronto's Pearson International Airport. Our visitors from the United States can reach the venue through the Buffalo, Detroit and Watertown border crossings.

Since 2010, the venue has grown to become one of North America's premier Equestrian Show Jumping Tournament sites and is now home to the Caledon Dressage series. Each passing year brings new additions to the property and in 2013, we expanded our All Weather footing in multiple rings, featured in our Main Stadium, ESI Hunter ring, Astalos ring and 3 warm-up rings. A total of 5 competition rings that stand up to both rainstorms and drought conditions means that horses competing at the venue can be guaranteed perfect footing regardless of the seasonal weather.

Expanding our services this year will also mean the introduction of all new stabling for 1000 horses, a new campground for those competitors with trailers who prefer to live on-site during the Tournament.

Spectators and sponsors will appreciate the attention to detail prevalent throughout the venue's hospitality zones, including décor from award winning designers. The view of the action is second to none. There is no better venue to take in the action of the sport while surrounded by an elite level of personal service and amenities.

We look forward to the opportunity of welcoming you to the venue.
