## Background and Executive Summary

### COVID-19 Protocols

ODF will be following public health guidance for COVID-19.

The Caledon Dressage at Angelstone CDI is held at Angelstone Tournaments, 8720 Wellington County Rd 50, Erin, ON. The event is a combined local, provincial, national and international dressage and para dressage event, sanctioned by Equestrian Canada and The Fédération Équestre Internationale. The international component comprises about 40 riders, representing about 2-3 countries. However, very few live outside of Canada. The local, provincial and national components have about 180 riders from Canada, mainly Ontario and Québec.

In 2022, Caledon Dressage will implement measures in order to facilitate operation in a safe environment in consideration of the yet unknown COVID-19 state. To have an international sanction, foreign officials are required. To satisfy the foreign official requirement, 1 international judge has been invited. Non-Canadian athletes are expected to number less than 5.

Angelstone Tournaments, a large spread-out venue, has hosted successful, safe equestrian events in 2020 and 2021 under the COVID restrictions.

Dressage is an individual sport where competition and stabling of horses is outdoors. One athlete competes at a time in a 20mx60m or 20mx40m ring. See Appendix 3 for a WHO assessment of the risk related to dressage.

Caledon Dressage is organized by a not-for-profit group committed to encouraging the sport of dressage at the local, provincial, national and international levels.

The following proposed plan has been built over the previous 2 years, with input and guidance from medical experts, event experts, and organizations that have run successful events during the COVID-19 pandemic. The dynamic nature of the pandemic environment at this time has required that the plan continue to evolve to align with provincial and federal requirements to run a safe and successful event. Angelstone Tournaments, the host venue, obtains approval from the appropriate government and health regulatory authorities to hold all competitions at the site.

Caledon Dressage is working closely with Equestrian Canada, Sport Canada and Angelstone Tournaments to make this a safe and successful competition.

  - *Physical contact will be reduced through electronic administration, scoring and communication.*
  - *All participants are asked to practice social distancing*
  - *Masks are recommended by everyone other than medical exceptions\* and while on the horse and eating or drinking. (\*medical exceptions must have written proof)*
  - *Communication (see Appendix 6)*
- 

## 2. Zone System

The show site has been defined in terms of zones to facilitate measures than may be needed.

Zones and sub-zones

1. Parking
2. Stabling - Sub-zone for each stable group(cohort)
3. Vendors
4. Warm-up
5. Competition
6. Administration
7. Out of bounds

Movement between zones is defined in this document according to competition requirements.

**Participants (Essential Persons) may include:**

- Owners, Riders
- Responsible Person (for person under 18 years), coaches, grooms, personal care assistants (PCAs), support personnel. “Support personnel” includes the persons employed or contracted by Participants who are essential for providing care to horses and/or Participants. This includes, but is not limited to, veterinarians, farriers, equine therapists, etc.

**Service Providers** refers to persons or entities who provide direct services contracted by Event management, such as vendors, caterers, feed suppliers, photographers, videographers, cleaning service providers, waste disposal personnel, etc.

All communication to the show office from participants is by email to [caledondressage@gmail.ca](mailto:caledondressage@gmail.ca). Communication from operations is via email or mobile radio.

---

***Common Zone Procedures:***

- *Hand washing stations or facilities will be available for all toilets.*
  - *Masks are recommended in all zones except when mounted, when eating in designated areas only or with a medical exemption*
  - *Signs will be posted reminding participants of their responsibilities and restrictions.*
  - *All persons should maintain a distance between each other of at least 2 metres.*
  - *See Warnings & Removal.*
- 

**Parking Zone**

Areas where cars and trailers are to be parked will be clearly marked. Vehicles parked outside these areas will be towed at the owner's expense.

---

- *No gatherings are allowed in the parking area*
  - *The parking area will be patrolled on a regular basis*
- 

**Stabling Zone**

Outdoor stables at Angelstone Tournaments are “shed row” style with roofs and fencing for exterior walls. They are in blocks of 20 with 2 rows of 10 back-to-back. The individual stall gates face outwards and there are no aisles. Each block is separated from the block opposite by approximately 20 feet.

There is also a section of stalls that will be used for stabling of international horses. It contains 160 stalls in 8 quadrants.

---

*Approximately 200 stalls will be occupied with the remainder empty or tack stalls to facilitate separation between participants.*

---

*All persons using wash racks (for bathing horses) must maintain physical distancing and in the event of a line up, must not block the flow of participant traffic. No equipment or bathing supplies can be left, and participants should not share supplies. Anything left at the wash areas will be discarded by staff.*

---

### **Vendor Zone**

Vendors will be in an isolated zone and will provide food and equestrian supplies as needed.

---

*Vendors will be well separated, and each vendor will be recommended to wear masks, implement social distancing protocols and regularly clean surfaces. Masks are recommended by everyone in the vendor zone.*

There are 2 warm-up rings plus a longeing ring in the Warm-up zone. Only one horse at a time is allowed in the longeing ring.

There will always be compliance personnel onsite to enforce warm-up ring rules. Penalty for non-compliance is elimination from the competition and the site without refund of fees. See Warnings & Removal.

### **Competition Zone**

There are five 20mx60m competition rings. Each of the days from Friday, July 22 to Sunday July 24, time will be allowed to familiarize horses with the competition rings. A maximum of 8 horses at a time will be allowed in the rings for a maximum time of 20 minutes.

**Presentations** will be limited and done in one ring. Ribbons will be picked up on a schedule from an outdoor location and the rider will be responsible for entering the ring with the ribbon on the horse. The announcer will play the anthem, thank the sponsor and the horses will exit, at the walk, in single file.

**Judge's Boxes:** Judge's boxes are open shelters approximately 4mx2m with a built in desk in the front. Each judge's box is occupied by a judge and a scribe. Where in the past paper

was used to record the score, it will be now be scored on an electronic tablets and transmitted to a website for ranking and access by the rider and officials. There will be no paper and no physical contact between the judge and the scribe.

---

*Face masks are recommended. Scribes will be asked to sanitize and disinfect surfaces touched on each exit of the box.*

### **Appendix 3: Equestrian Competition Fact Sheet**

Based on the guidance of the World Health Organization (WHO), equestrian sport is a low-risk activity for COVID-19 spread due to the following factors:

- **Equestrian sport is non-contact.**
  - It involves a horse and rider as a combination.
  - Combinations compete individually in the competition arena/ring.
  - There is no sharing of equipment between Participants.
  - When mounted, physical distancing of five (5) metres or more is required to keep horses and Participants safe and avoid accidents from striking or kicking.
- **Equestrian sport does not enjoy large spectatorship.**
  - Canada's equestrian domestic landscape does not enjoy large spectator attendance.
- **Equestrian sport is an outdoor activity.**
  - Equestrian sport is primarily an outdoor activity with competitions taking place in large, open-air facilities.
- **Risk communication is a priority and undertaken before, during and after competitions.**
  - We have risk-assessed our sport to identify physical distancing issues, as well as provided guidelines to reduce the risks of contact and develop appropriate programs for cleaning and disinfecting.

### **III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>
