Saturday July 26, 2025, Beach Party Activities

A **\$50 Beach event fee per couple is charged** this includes Tubing and 10 drink tickets!

Tubing/Kayak scheduled for 11:30am - noon

We will start loading as a group for the Melrose Boat launch at 11:30am. Please bring your tubes and Kayaks.

If you need to use a float tube, you must let me know ahead of time. Last year's float took 1 hour and 15 minutes but that depends on the river level & current. The river is public, so please no nudity exposed to non-group members on the Black River.

Beach Party from 1pm – 5pm

If you do not wish to participate in the river float, **no issues!** Canopies will be set up on the beach with music, a bar (liquor) sales, (All cash please), and fun silly games. It is here that you can redeem your drink tickets with our bartender. Prices will be very reasonable and available after you sign up. You may bring your own sun covers (umbrellas/canopies), chairs and remember the lotion. Your ATV/UTVs are allowed on the path down to the beach but operating on the beach does have a \$10 fee. Nudity will be allowed, but please review our policy (on web site) related to boats on the Black River. We strive for a balance with our neighbors.

Campfire and Manor Open house starts at 6pm.

If you wish to stay and eat, bring your own food to grill and side to share with others (potluck dinner). Non-camping guests are welcome to stay until 12 midnight. Regular campground rules will be relaxed.

Sunday July 27, 2025, Activities

Sunday fun day - No formal activity – just enjoy the property) Late check out is allowed for everyone. Guests are allowed to bring their own alcohol to this event. We do ask that you support our bartender during the Beach Party by purchasing our drink tickets. We have reasonably priced our drinks.
