Saturday July 25, 2026, Beach Party Activities

A **\$50 Beach event fee per couple is charged** this includes Tubing and 8 drink tickets!

Tubing/Kayak scheduled for 11:30am – 1pm

At 11:30am we will start loading as a group on the bus/van, from the campground. We plan to start the float from the Melrose Boat launch at 12 noon. Please bring your tubes and Kayaks. If you need to use a float tube, you must let me know ahead of time. Last year's float took just over an hour but that depends on the river level & current. The river is public, so please no nudity exposed to non-group members on the Black River.

Beach Party from 1pm – 5pm

If you do not wish to participate in the river float, **no issues!** Canopies will be set up on the beach with music, a bar (liquor) sales, (All cash please), and fun silly games. It's on the beach that you redeem your drink tickets with our bartender. Prices will be very reasonable and available after you sign up. You may bring your own sun covers (umbrellas/canopies), chairs and remember the lotion. Your ATV/UTVs are allowed on the path down to the beach. Nudity will be allowed, but please review our policy (on web site) related to boats on the Black River. We strive for a balance with our neighbors, so please no flashing them.

Campfire and Manor Open house starts at 6pm.

If you wish to stay and eat, bring your own food to grill and side to share with others (potluck dinner). Non-camping guests are welcome to stay until 1am (maybe longer). Regular campground rules will be relaxed.

Sunday July 26, 2026, Activities

Sunday fun day - No formal activity – just enjoy the property) Late check out is allowed for everyone. Guests are allowed to bring their own alcohol to this event.
