Airline

Diary Secrets

THEME

Trying to control someone is the fastest way
to push them away

LOGLINE

When a flight attendant's diary page falls into the wrong hands, a smeared out story is published in the newspaper that will lead to a snowball effect that is out of control.

BOARDING PASS 

7 WORLD WONDERS

HEART STORY

Do you know how it feels to want control over something you can't control?

WANT VS NEED

- She wants to help other people
- She needs to accept that you can't control everything in life.

SYNOPSIS

In Amber's Airline 2, the crew risks losing control of their own narrative! Amber, when passing through a security check, loses a few pages from her diary. Those pages? The exact ones that outlined what happened during the plane crash that almost bankrupted Snuggford Airlines.

Picked up by a reporter, Amber's journal exposes Kyle's real reason for rushing through the storm: love. The PR backlash is huge! From romantic recounts to potentially criminal charges, Snuggford Airlines suddenly finds themselves at the forefront of media discussions.

SYNOPSIS

As the news threatens to break apart the crew in a flurry of finger-pointing, Amber realizes how the leak really occurred... Her journal! She realizes it's her responsibility to stop this fiasco before it tears apart the crew.

Amber' Airline 2 is a story about trying to control the uncontrollable: the harder we hold on the worse things get. Can Amber manage to spin the story and save Snuggford Airlines?

KEY SCENES

CHAPTER 1 - THE DIARY

1| Amber is happy to be a flight attendant and she loves to work together with her crew. The crew really believes they are a team now and nothing can come between them.

2| Snuggford Airlines got a decline in passengers after the plane crash. Karen has an idea to give the decline in passenger a boost! To have a collaboration between Snuggford Airline and a travel Agency to do a 7 World Wonders excursion! And Amber also has a very good idea, to have a fresh new look for the airport / Clothing and Plan!

3| Amber says to her mother she thinks a lot off her and her father. She's going to take a 7 WW trip and knows it was their wish to do that trip someday, but after the incident with Noa, everything changed.

4| Karen will also fly with the crew to see how the collaboration goes with the Agency. Hank offers himself to look out for the airport together with Adrian.

KEY SCENES

5| First location is the Egypt!

6| Before Amber goes a board, she finds a wallet. She looks around to see if she can find the owner, but she can't. When she opens the wallet to see if there's something that can help her find the owner, she doesn't know what she sees! There is a picture of her in the wallet! Who's wallet is this??

7| One of the passengers for the excursion sounds familiar to Amber (he always wears sunglasses and has a beard) (she doesn't know it's her father). She even asks him if the wallet is his, but the man responds he's never seen the wallet in his life.

8| David also joins the excursion! Amber is glad he's taking this tour. He's always so caught up in work, that he finally took some time for himself. He's always talking about the 7 WW and now finally he's going to visit them. David and Amber are now only friends. Amber feels comfortable and happy they are friends again

KEY SCENES

9| When Amber wants to go through the security check Adrian has an accident with Amber's luggage and her clothes and diary are all over the floor. She puts her belongings back in her suitcase. It appears she got all of her belongings back (But she forgot to pick up one page of her diary)

10| Elise is pregnant for a couple of months already and she loves to keep working. Amber tells her to slow down, but Elise says it will be fine.

11| Pamela falls in love with one of the passengers, it's love at first sight. She's not allowed to have a relationship with passengers but she thinks she can control her feelings. Amber warns her to be careful. She says to Pamela she can't have control when it's about love she says.

12| When they arrive in Egypt, Amber goes to a kiosk to buy a newspaper. She's intrigued by a big Header in the paper "Love Caused Crash!"

13| She starts to read the article and, she screams. The article is about them!!

KEY SCENES

CHAPTER 2 - CREW SPLITTING UP

14| Kyle's receives a phone call and he's asked to come to Snuggford for interrogation asap.

15| Amber is talking with her mother via the phone and she says somebody in the crew talked to the media and she's angry about it. Mother says it will be hard for that person to ever be trusted within the team anymore.

16| The article also says something about love between the crew. David gets suspicious and jealous. Is Amber also part of this love within the crew?

17| When Kyle is back in Snuggford Hank tells him he can't believe it's Kyle's fault. He promises he will do all he can to help him. Even though Hank knows a lot of powerful people he knows it will be impossible to get Kyle out of this situation. The research team didn't find the black box when the accident happened. He will try to find the black box to prove it. Together with Adrian they look for a way to find the black box.

KEY SCENES

18| Karen is glad that Hank is doing this, at the same time she doesn't have the feeling Hank really gave up his work.

19| Along the trip David feels attracted to a lady that is also an architect. Amber can see the mutual attraction and she doesn't know how or why, but seeing her David together with another woman makes her jealous. She can't control her feelings she notices

20| When Amber wants to write her emotions in her diary she finds out one page is missing. She realises she's the one that caused all this! She lost the page of her diary where the accident of the plane was described. Even though it's not her fault, she feels guilty for everything. She wants to fix it, but doesn't know how

21| Amber tells her mother she's the one who caused everything and her mother says it will be hard to fix. She has to tell the crew, but Amber wants to fix it before the crew finds out.

KEY SCENES

22| The crew wants to know who shared the information and they all suspect each other. Who could have shared the information to the media? Amber doesn't say it was her and only wants to unite the crew again

23| Karen doesn't want to abort the excursion because of Kyle's absence so she needs a new pilot to replace Kyle. She finds a new crew member, a female pilot called Madelyn. Everybody welcomes her, except Justin. He's not too fond of having a female pilot.

24| Does Amber have feelings for David? Shouldn't she be happy for him? She has mixed feelings. David notices this and asks her if everything is ok, she answers everything is really well. David is happy to hear Amber is happy.

25| Elise is not feeling too well because of the pregnancy. Karen tells her it's better if she goes back home and takes a rest. But Elise refuses to fly back, she wants to continue the excursion. Karen eventually agrees, but insists the Elise is not allowed to work in any way.

KEY SCENES

26| This is the second person Karen loses in her crew and she doesn't like to not have control over it. On the other hand, she has to think in solutions. She proposes Amber to take over Elise's role. Amber thinks she's still too inexperienced, but Karen trusts in her capabilities.

27| The crew goes to the next location, the Wall of China.

28| Madelyn makes a minor mistake while helping Justin to land the plane and Justin immediately blames her for incompetence.

29| The atmosphere within the crew is still not so good because the crew doesn't trust each other anymore. They don't work well together in the plane. Some minor discussions. To Amber's surprise Clark is now also on this trip for work.

30| Amber has good news! The new outfits just arrived! They look amazing! The crew could use this boost, because in a sense they feel united having the same new fresh clothes. The crew loves the new outfits!

KEY SCENES

31| Pamela is so over the moon with the passenger she does everything he asks her to do. He's taking advantage of her and Amber can see it. She tries to warn Pamela, but Pamela doesn't listen.

32| Amber doesn't like how Justin is behaving towards Madelyn. He should give her a chance. A woman can be just good of a pilot as a guy she says.

33| When they walk over the Chinese Wall, Madelyn is wearing high heels and she slips. She almost falls down from the wall. If it wouldn't have been for Amber, who watches over the group, Madelyn would have fallen down. The rest didn't even see what happened, the crew is clearly divided.

KEY SCENES

CHAPTER 3 - TRYING TO GET CONTROL

34| Next location Taj Mahal

35| Then Clark all of sudden is also part of the excursion. Amber called him to have a doctor aboard for Elise. He still has feelings for Amber and flirts with her. Amber loves his attention

36| It's making David jealous, David flirts more intensively with the passenger. Talking about all the things he knows about the 7 WW. The woman loves his knowledge

37| Pamela kissed the passenger and she can't control her feelings for him anymore.

38| Karen loves the trip and she tells Kyle she'd love to marry in one of the 7 WW. Karen found the perfect place to get married! (Last of the 7 wonders location in this story) She starts to make phone calls to people, many people will come to this wedding. When she talks with Kyle via Facetime she can see Kyle is getting a bit nervous.

KEY SCENES

39| Pamela can't hide her feelings for him and proposes to the passenger. The passenger doesn't know what to say, he doesn't really give a clear answer.

40| Elise gets annoyed by Amber because Amber wants her to be careful with her pregnancy, but Elise says she's got it under control.

41| Something bad happens, symbolic death (to have a contrast with Elise giving birth later in the story)

42| The next location is Petra (Jordan)

43| Karen wants Amber to take over Elise's role. Amber feels honoured but it also scares her because she will be responsible of a crew.

KEY SCENES

CHAPTER 4 - TENSION IS RISING

44| Amber can see Pamela really has a crush on the passenger and tells her to stop the relationship. Pamela gets angry at her, she should focus on her own private life. She has 2 men she keeps on the leesh!

45| Karen doesn't have the feeling Kyle still wants to marry her. She found the perfect wedding place, but he doesn't appear to be excited.

46| Amber is having a hard time, she feels people are pushing her away. She only wants to help! But people take it the wrong way.

47| More David and Clark showing off. David shows off to the passenger and Clark to Amber

48| David now is really getting jealous seeing Amber and Clark flirting publicly. So the article in the newspaper was also about Amber!

KEY SCENES

49| David confronts her with what he read in the newspaper. Does she have feelings for Clark? She doesn't reply his answer.

50| Clark doesn't understand why David is getting angry with her. David already has a girlfriend, so what is his problem? David says he's right, he does. Amber wants to say something and Clark can see she also has feelings for him. Clark walks away.

51| When the crew is stuck somewhere, because of strikes at an airport, the crew says it all started with the article and that somebody in the crew has opened their mouth. Amber can't take it anymore and she says it was all her fault. She explains and the crew tells her it wasn't her fault, but Amber still feels guilty. We could switch to Hank and Adrian during the gameplay.

KEY SCENES

CHAPTER 5 - OUT OF CONTROL

52| Clark has to go to an emergency and leaves the crew.

53| When the plane takes off everybody is sad.

54| Elise's water broke! There is no doctor in the plane (Clark had an emergency somewhere else/maybe he stayed behind because of the symbolic death previously) Elise trusts Amber to help her give birth. Amber helps Elise give birth. The birth of her daughter went perfect!

55| They need to make an emergency landing to get the baby and Elise at a hospital. Justin can't seem to control the plane properly, Madelyn jumps in and she makes sure the plane lands correctly.
going to the quicksand to help her to calm.

KEY SCENES

56| She forgives her father for not having been there for them all this time. They hug each other and she tells him she won't let go. They have so much to catch up. She asks him why she never visited them. Doesn't he love them anymore? He says he couldn't bare the pain after the loss of Noah. It hurt him too much to see the family that he left. He never meant the cause the pain. He still loves her mother, even after all these years.

57| Hank and Adrian got a signal of the black box! They call Karen to tell them where the black box's signal is coming from

58| The crew is close to the black boxes location. Amber really wants to help find the black box and she bring the idea to get a boat. Karen, Justin and Amber go to the location.

KEY SCENES

59| Amber took some diving classes after she passed her exam and volunteers to dive into the water. She finds the the black box at the bottom of the ocean. It's in a fish net. Amber wants to take it out but she realises she's also caught in the fish net! She struggles, but it gets worse. Then she realises she has to stay calm and not fight the net, but go with it. (she practices her learning) She gets out of the net and takes the black box with her. Amber is the hero of the day and the crew is proud to her.

60| The black box makes it clear, it wasn't Kyle's mistake, because of the storm the warning came in too late. Kyle is set free of investigation!

KEY SCENES

CHAPTER 6 - LET IT GO

61| When she's back in Snuggford the excursion plane hasn't landed yet. She feels her heart belongs to David. When she goes over to tell him he's the man of her life, she catches David kissing the girl he met in the plane. Amber is happy for him, but she feels alone

62| Kyle surprises Karen with a small wedding ceremony at the airport. She let's go of control and accepts also his wishes.

63| Pamela breaks up with the passenger and she thanks Amber for being honest to her. She warned her but she wouldn't listen her.

64| Amber and her father decide to see each other more often. He tells her he has a surprise for her. He wants to visit her mother the next day. Amber is so happy to hear that.

65| Justin tells Madelyn he was wrong to judge her for her sexuality. He think she's a great pilot.

KEY SCENES

66| Amber gets a call, it's her mother. Her mother tells her she wants to tell her something she wanted to tell her already a long time ago, but she was too scared to tell her. She has a new boyfriend, it's the best friend of her ex husband (or Hank).
