I hope you find this book informational and inspiring. I wanted to put out a book on the true meaning of CHRISTmas and why God's gift that he sent to us on that blessed night will be something we remember and share with many generations.

Isaiah 7:14

"Therefore the Lord Himself will give you a sign: Behold, the virgin shall conceive and bear a son, and shall call his name Immanuel."

77

Immanuel is translated as, "God is us." This means our unique bond and our own unique relationship with God was given to through Jesus' blessed birth sacrifice. Without the birth of Jesus man would not have been given the free will to choose life over death and God over sin. Just as without his sacrifice for us Jesus would not have been able to say "It is FINISHED." For us to know that Jesus' birth occurred so that He could be the way and the light to heal man's relationship with God. We must first see through Jesus' birth and sacrifice that we truly receive a CHRISTmas gift sent to us from God. God wants us to receive it with a free and unconditional heart. This, is God's CHRISTmas gift to us and He wants us all to receive it if we are willing and sincere about it. We should all see this as a celebration of our God's CHRISTmas Gift To Us!

Mathew 1:21

"And she will bring forth a Son, and you shall call His name JESUS, for He will save His people from their sins."

When Mary was impregnated by the Holy Spirit with Jesus, she had been betrothed to Joseph before hand. Joseph had thoughts about these things because he had to hide Mary and the fact of her being pregnant before they had even had a chance to get married. While He thought of these things an angel of the Lord came to him in a dream saying "Joseph son of David, do not be afraid to take to you Mary as your wife, because for that which is conceived in her is of the Holy Spirit.

We see with Joseph and Mary God has many gifts waiting for us to receive. These gifts he has for us is salvation, unconditional love, hope, joy, eternal life, and everlasting relationship with Him. These gifts are the gifts that we must look for at this time of the year but also look for them all year long. Even Joseph had questions and doubt about what was being asked of him to do. Joseph's dream and belief in God can be seen as a CHRISTmas gift from God, because God sent an angel to re-assure Joseph that this was his calling and to believe enough in God to accomplish it without fear. What a gift God gives us in believing we have nothing to fear for what is it that man can really do to us. So all this was done that it might be full filled which was spoken by the Lord through the prophet angel.

Matthew 2:1-2

Now after Jesus was born in Bethlehem of Judea in the days of Harod the king, behold, wise men from the East came to Jerusalem, saying "Where is He who has been born King of the Jews? For we have seen His star in the East and have come to worship Him."

The three wise men in the Bible brought gifts to Jesus after his birth. The three wise men were depicted in Matthew's account as being Maggi that journeyed from the East and the kings were from far away Persia. Some commentators propose that the three kings were from the three known continents Europe, Asia, and Africa.

The Wise Men came bearing gifts that would interpret the three aspects of Jesus' future life. The three gifts were Gold for kingship, Frankincense used for deity worshiping, and Myrrh was used for Jesus' death and mourning. The story of the three wise men speaks to the fact that God makes every effort to reach all of his people here on earth no matter how far away they are from Him. There is no distance that God can not reach. God never abandons anyone, and there is no one person to far away from Him to reach.

The wise men are only a few of the many that have gone before us, and sought to honor God with their lives, offering their gifts of gratitude, their possessions, and divine obedience to show their love and appreciation to God.

Isaiah 9:6

For unto us a Child is born, Unto us a Son is given; And the government will be upon His shoulder. And His name will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace.

Spiritual Crossroad Meditation And Inner Healing

""A CHILD is born," for He shall save His people from their sins. Jesus is the second member of the trinity. The saviour was the only begotten Son of God. "A Son is given," for God so loved the world that He gave His only begotten Son to be our one and only true Redeemer. And every name and every attribute that is ascribed to Him has the seal of the eternal Trinity etched into its very fabric. God alone is the perfect Counselor, for in Christ dwelt all of God's wisdom. Then the Spirit of the Lord rested upon Him. A Spirit of understanding, wisdom. A Spirit of reverence and knowledge. A Spirit of counsel and might. This all means that Jesus is our "Wonderful Counselor" Isaiah's Message is a message of our judgement to come. God must judge our sins. There is also a message of hope that God has taken that judgement on Himself. In doing this by sending His son Jesus to take on the sins of the world.

Wonderful- He is Awesome.

Counselor- He gives us guidance when we are lost and do not know what to do.

Mighty God- Who can speak "peace be still" to the storms we experience in this life.

Eternal Father- he is the Father who will never leave you nor forsake you above all else.

Prince of Peace- "Peace on earth, good will toward man.

The government is on His shoulders- God has it all under control. Whatever burden you are carrying around with you. He can carry you too. His shoulderss carried the cross, government, and He will carry you too!

John 1:12

But as many as received Him, to them He gave the right to become children of God, to those who believe in His name.

When Jesus was born we were given the greatest gift and sacrifice from our Father. In giving us these gifts through the birth of His son, God has allowed us a way to become his children through his everlasting Love for us. If we want to be children of God we must first accept that Jesus was born and sacrificed for the forgiveness of our sins and that we as humans and being made of the flesh do not have the ability to save ourselves nor can we solve our own problems through fleshly thinking.

Jesus came to teach us that we must grow in love for one another if we are to know who he truly is. In doing this we learn about Grace, How to forgive one another, the true meaning of unconditional Love for ourselves and our fellow man, we also abundance of Hope, and more. have an CHRISTmas is more than just gifts under a tree. It is Christ+Mass. We are to attend a mass on Christmas now this can be held just between you and God in your own home. Now I am not saying you should not give gifts to your family and friends, but what I am suggesting to you is do not get lost in the world and its meaning of Christmas for the worlds way is not the way of God and it will not save you or your spirit. Only God can do these things, and He will as long as you have unconditional FAITH in Him.

John 3:16

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish, but have everlasting life."

When God sent us His son, He did not send him to condemn the world. He sent His son to save the world through Him. God said "He who believes is not condemned, but he who that does not believe is already condemned." The reason for this is because he has not believed in the name of the only begotten Son of God.

God is the creator of all, and when we choose to believe in Him and His son we are growing in our spirit and seeing how peaceful our life can really be in the midst of the storms we encounter in our daily life. Having and knowing the true spirit of CHRISTmas in you will allow you to see all wonderful things God has blessed us here on this earth. Christmas is a time for reflection on God, Jesus, and the Holy Spirit.

We must remember that God has already given us the Greatest gift we could ever ask for His Son, and for that I could not ask for more. God is enough for me and I am not afraid to say "Thank You God for all your many blessing in my life."

James 1:17

Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning.

Have you received any of these gifts that God has promised to us all. The gift of life, of unconditional love, of hope, of faith, of forgiveness, and grace. These are the gifts we received the night that Jesus was born. I am sure you have at some point, but did you grab that gift and hold on tight to it even in the hardest of times. When we are in termoil we miss these gifts and do not use them to our advantage. Jesus is our redeemer and saviour.

Jesus is the only way for us to have an everlasting relationship with God. I am very grateful, thankful, and faithful that God decided to send His only son, to save us from our sins and the world.

So, you see we really did recieve the ultimate gift of all that blessed night. God gifted us Jesus. Let us never forget this during our celebration of the season.

Merry CHRISTmas And Happy New Year!
