

# BIGMAX Cranes

## TCH Series

### Heavy Duty Telescopic Cranes

#### Strength

- Designed for harsh marine and industrial applications
- Strong, light weight hexagonal boom construction
- Fabricated from high tensile steel
- Rugged steel base with double rack and pinion slewing system
- Two year comprehensive parts and labour warranty

#### Choice

- Four models 27,400 to 74,300 ft lbs (3.8 to 10.3 t/m)
- Up to 4 hydraulic extensions to 31 feet
- Three levels of corrosion proofing
- Range of outrigger stabilizers to fit
- Winches and other options available

#### Safety

- Counterbalance safety valve mounted directly to main lift cylinder
- Active and passive overload and hose failure protection
- Control valve supplied loose for maximum visibility when mounted
- Complies with ANSI B 30.5, DIN 15018 and EN12999 Standard
