·WHERE PEOPLE & PETS BELONG·

WHY THE MARLEY?

A HOUSING PROBLEM. A HEARTBREAKING REALITY.

During my 25+ years in real estate and property management, one truth became impossible to ignore.

GOOD PEOPLE.

GOOD DOGS.

NO PLACE TO LIVE.

- Landlords deny good tenants housing because of the stigma behind bully breeds.
- Families are forced to choose between where they live and who they love.
- Sometimes, that means surrender.

UNACCEPTABLE.
